

Greetings from your 2020 Officers!

January 1, 2020

Enclosed is your dues invoice for 2020. We ask for your continued support and look forward to receiving your renewal. We have a very special year planned for our **100th Anniversary** which will culminate at CONNECT 2020 in Dallas, Texas.

Here are some of the things your dues help make possible:

- Co-Sponsoring the Workforce Development Breakfast at CONNECT.
- Sponsoring an HVAC Apprentice Contestant at CONNECT.
- Hosting the First-Timers Greeting and Get Together.
- Providing special events at CONNECT for all attendees to enjoy.
- Hosting the Bradford White Breakfast at CONNECT.
- Hosting the InSinkErator luncheon at CONNECT.
- Offering the Larry Dore Member of the Year award to a member recognizing their outstanding service.
- Offering the Cox Awards program which rewards outstanding projects in support of our industry.
- Attending the Legislative Conference to represent the industry.
- Marketing the PHCC logo to distinguish our members.
- Supporting our efforts to recruit into our Industry.
- Supporting the PAC effort.
- Supporting the Education Foundation's Invest In Your Future Campaign.

Please mark your calendar for our Leadership and Legislative Conference in Washington, D.C., May 21-22, 2020. During this conference you will be able to meet with our elected officials on Capitol Hill to deliver our message. Please plan on attending and making your voice heard and our issues understood. There is strength in numbers.

We look forward to seeing you in Dallas, Texas, September 30 – October 2, 2020 at CONNECT. In addition to having a great experience, you will be able to network with others, learn new ideas, and have some fun.

As we continue to celebrate our **100th Anniversary**, we are reminded of how much we have gained by belonging to this Organization. The fun and fellowship are added bonuses to our learning and supporting the PHCC, the Educational Foundation, the Association Executives Council (AEC), the Political Action Committee (PAC), and the Enhanced Service Groups (ESGs), our sponsors, and our national staff. It is with their help that we can protect the health of our great nation and earn a livelihood to support our families. Thank you for your membership in this great organization. We look forward to working with you in the upcoming year to help promote the plumbing-heating-cooling industry.

Susie Greene

PHCC – National Auxiliary President 2020

Our Shining Future is Now
