

2021

Welcome New Auxiliary Member!

Thank you for joining the Plumbing-Heating-Cooling Contractors – National Auxiliary. We appreciate your support of this wonderful organization and look forward to working with you to help promote the Plumbing-Heating-Cooling Contractors – National Association and the industry.

We are a 3-tier organization. If you live in a state with a Local or State Auxiliary, they will contact you directly. If your state does not have an auxiliary, then you will be a Member-at-Large.

Please let our Membership Secretary Jorja Dickemann (membership@phccnationalauxiliary.org or 618-541-4782) or any of our executive officers know if we may assist you in any way. All contacts and up-to-date information are available on our website at <http://www.phccnationalauxiliary.org> and on our Facebook page, www.facebook.com/PHCCAUX.

We look forward to seeing you in Kansas City, Missouri for CONNECT 2021, October 20-22, 2021. This is an opportunity to make new friends and explore Kansas City as well as share new ideas with others in the industry through seminars, networking, education, and social gatherings. Through your membership, we can get the message out about careers that are available to both men and women in our industry. This year we will conclude our 100th Anniversary Celebrations. Thank you for being a part of this 100th Anniversary Celebration.

Working alongside PHCC, the Educational Foundation, the Association Executives Council (AEC), the Political Action Committee (PAC), Enhanced Service Groups (ESG), our sponsors, and the national staff, we can protect the people of our nation, as well as our industry and our livelihood.

Thank you for your Auxiliary Membership. I look forward to working with you in the upcoming year in promoting the plumbing, heating and cooling industry.

Susie Greene

PHCC – National Auxiliary President 2021

Our Shining Future is Now
