

## How-To Request a Contact

There are several ways to request a contact within the community:

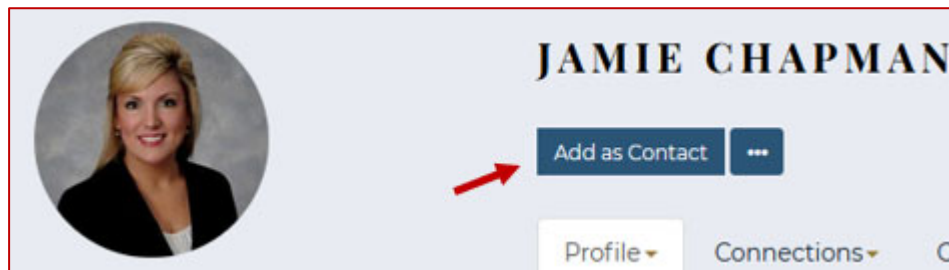

1. Visit the Member Directory at [Link.PhiKappaPhi.org/Members](https://Link.PhiKappaPhi.org/Members) and use the basic or advanced search options to search for someone:

Then click the Add as Contact button next to their name in the search results:

2. Click a profile picture anywhere within the community to visit that member's profile, and click the Add as Contact button next to their profile photo:

3. (1) Hover your mouse over the name of a member within a discussion, and a pop-up box will appear. (2) Click the Request Contact button:
