

1. Sign in to your Link profile using your Phi Kappa Phi login credentials:

2. Click the drop down arrow in the top right corner, then click the Profile button:

3. Click the drop down arrow under the profile picture, then click Change Picture and upload your profile photo – *it's that simple!*

Top 3 Reasons to Upload Your Photo

1. Enable your colleagues to effortlessly find you in the membership directory and spark up a conversation.
2. Make your profile more personal and relatable, increasing the chances your peers will respond to your posts.
3. Foster a greater sense of collegiality amongst fellow Phi Kappa Phi members.

Save time by importing your LinkedIn profile!

Click the import your info button at the bottom of your profile page.

Then, follow the prompts to login to your LinkedIn account and choose the information you want to import.
