

Erinn DePorre, General Motors LLC

Erinn D. DePorre is Lead Counsel, Autonomous & Transportation Services (“ATS”) for General Motors LLC. While at General Motors, DePorre was Lead Counsel for Product Litigation and Ignition Switch, managing complex product-liability, class action and certain ignition-switch related bankruptcy matters for General Motors. DePorre recently transitioned to the role of Lead Counsel for ATS, managing a cross-functional team of lawyers in the autonomous and transportation service space. Along with other GM Legal Staff, DePorre also supports and advises GM’s Legal Leadership Team and various business groups on evolving issues related to autonomous vehicles and various emerging technologies. Prior to joining General Motors LLC, DePorre was senior staff counsel in the Office of the General Counsel for another Tier I automotive manufacturer.
