Barry Izsak/Gloria Schklair Conference Scholarship Fund

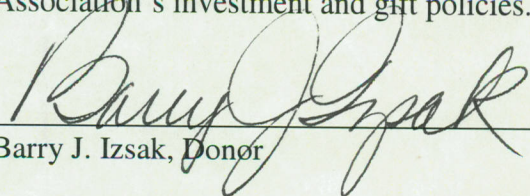

The National Association of Professional Organizers acknowledges with gratitude the generous gift of \$10,000 from Barry J. Izsak, hereinafter referred to as donor, to establish the Barry Izsak/Gloria Schklair Conference Scholarship Fund.

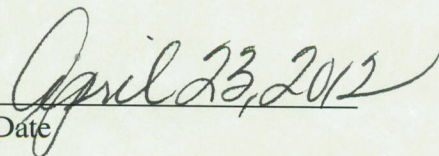

It is the donor's intention that this gift provides funding for no less than two conference registrations for each NAPO conference starting with the 2013 conference. Each funded conference registration will provide one NAPO Industry Member with access to the educational courses and professional skill development opportunities that are only available to the attendees of NAPO conferences.

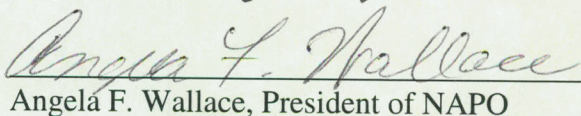

The Barry Izsak/Gloria Schklair Conference Scholarship Fund directly supports the educational mission of NAPO by providing access to the educational experience of conference for the benefit of Industry Members who otherwise may not be able to attend.

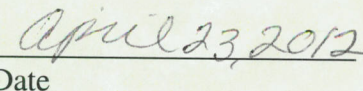

- NAPO shall match this gift in its entirety and funds will be placed in a segregated account to be used solely for the purpose of NAPO conference scholarships.
- Each subsequent gift to the fund in the amount of \$1,000 or more shall be matched by NAPO, up to an annual limit of \$10,000 per fiscal year.
- The fund shall be named the "Barry Izsak/Gloria Schklair Conference Scholarship Fund."
- NAPO shall establish an electronic means on its web site for people to contribute to the fund, but is required to match singular contributions less than \$1,000.

The fund will be managed by the Board of Directors of NAPO in accordance with the Association's investment and gift policies.
