

ADC 2022 Call for Papers

PAA Applied Demography Conference

February 1 - 3, 2022 | Virtual

Deadline for Submissions: October 31, 2021

We are excited about providing applied demographers with a unique opportunity to participate in a conference built to showcase their work, strengthen their personal network, and to bring the applied demography community together. We welcome your submissions for the PAA Applied Demography Committee's 2022 Applied Demography Conference.

Please note a few important items:

- The entire conference will be virtual, and schedule times will be Eastern Standard (EST).
- Each person can only present once.
- All presenters must register to attend the conference.

Submitting an Abstract

1. Fill out the submission form:
2. You can edit your form until submissions close on 10/31/2021.
3. All submissions must include a short abstract of 500 words or less. Submissions without a short abstract will not be considered.
4. You may include a full paper or poster with your submission.
5. You are required to choose a topic for your submission. You can also choose a second topic, but it is not required.
