**2023 Call for Papers**

*February 7 - 9, 2023*

**Annapolis, MD**

**Deadline for Submissions: October 31, 2022**

We are excited about providing applied demographers with a unique opportunity to participate in a conference built to showcase their work, strengthen their personal network, and bring the applied demography community together. We welcome your submissions for the PAA Applied Demography Committee’s 2023 Applied Demography Conference. This conference will be held in person at the Westin Annapolis in Annapolis, Maryland. Both abstract and session submissions are accepted.

**Please note a few important items:**

- Each person can only present once.
- All presenters must register to attend the conference.

**Submitting an Abstract | [SUBMIT HERE]**

1. Fill out the submission form.
2. You can edit your form until submissions close on 10/31/2021.
3. All submissions must include a short abstract of 500 words or less. Submissions without a short abstract will not be considered.
4. You may include a full paper or poster with your submission.
5. You are required to choose a topic for your submission. You can also choose a second topic, but it is not required.

**Submitting a Session | [SUBMIT HERE]**

1. Fill out the submission form.
2. All submissions must include the session participants’ names, contact information, and a short (500 words or less) description.
3. One person must be designated as the session organizer.
4. You may submit associated papers or posters if available.
