Mentoring Program

Participant Expectations

**Mentor**

- Be a current PRIM&R member.
- Maintain an up-to-date and complete profile, and enroll as a mentor, mentee, or both in the PRIM&R Online Community.
- Communicate with your mentor or mentee if you need to alter or end the mentoring relationship for any reason.

Invest sufficient time and energy to support and promote the mentee's success.

Take the primary role in connecting with the mentee and fostering the relationship.

Demonstrate professional behavior and share insights, advice, and strategies with the mentee.

**Mentee**

Invest adequate time and energy to the mentoring relationship; be coachable and open to advice and suggestions.

Respect the mentor’s time and efforts, and be understanding and mindful of potential time constraints.

Take the primary role for searching and reaching out to potential mentor matches.
