

THANK YOU!!

Great turnout at the 14th Annual Port Manatee Propeller Club Golf Classic

Thank you to all our sponsors, golfers and volunteers for making the 14th annual golf classic such an amazing success.

Each year, the Propeller Club hands out scholarships which are funded through the proceeds of the annual golf outing. The selection of the recipients is based on academic standing, personal recommendations and the completion of an essay outlining how their chosen field of study is applicable to the maritime industry.

With your help we were able to provide scholarships to the following high school graduates:

- Mackenzie Johnson, Palmetto High School, \$2,000, Manatee County Resident
- Nicholas Barbieri, Lakewood Ranch High School, Manatee County Resident, \$2,000
- Savannah Argenti, Newsome Highschool, Member Family \$2,000

Congratulations to the scholarship recipients!
