

The PSATS CDL Program has been recognized as the best local government and small-employer CDL program for years. Our goal is to make it easy for you to comply with state and federal CDL regulations while keeping your costs to a minimum.

Join now to benefit from the following full range of services that the PSATS CDL Program provides:

- Assistance with CDL employee and vehicle record-keeping requirements
- Full compliance with all CDL testing requirements
- Testing sites statewide
- Non-CDL testing available
- Complete confidentiality
- Sample personnel policy
- Certificate of annual membership
- No charge for changing employees
- Toll-free help from support staff

As with all programs sponsored by the State Association, the PSATS CDL Program is designed to meet the real needs of townships, other local governments, and small businesses at an affordable cost.

Enrollment for the first year is \$150 for all employers, with annual membership thereafter just \$100 for PSATS members and \$125 for all other employers.
