Exhibitors will receive a catalog when booth space is confirmed. Electrical and internet services will be ordered directly from the hotel. Shipping services will also be available through the hotel, if needed.

Hotel
The convention headquarters hotel is the DoubleTree by Hilton Hotel Orlando at SeaWorld (Single/Double/Triple/Quad $129 plus taxes and fees). Reservations may be made online via convention.ptg.org. Piano Move In/Out Information

PTG has made special arrangements for the movement of pianos. We will be requiring detailed information about your move-in and move-out plans. If you will be bringing pianos, please indicate this on your Exhibit Space Reservation form (page 7). A separate form will be provided for you to provide piano information.

Please remember:
1. Your carrier/driver is responsible for the movement of all exhibit hall pianos to and from the trade show floor.
2. The Piano Technicians Guild WILL NOT unload any exhibit pianos.
3. Please mark or label all items such as grand boards, moving pads and benches to indicate ownership. PTG Institute class pianos and PTG testing pianos will take priority over any exhibit piano moves.

Sales Tax Information

It is the exhibitor’s responsibility to comply fully with any applicable federal, state and local tax laws and requirements, including but not limited to sales and use tax. PTG is unable to answer specific tax questions. Please consult your tax advisor.

**FEES, RESERVATIONS AND REGISTRATION**
A deposit of one-half the exhibit fee must accompany the signed application form before space can be reserved. Booth reservations will not be taken over the phone. Reservations will only be accepted by mail or fax and on a first-come, first-served basis. We accept MasterCard®, Discover or Visa only. All fees must be paid in full by May 10, 2020. If payment in full is not received by that date, PTG reserves the right to resell the space. Under no circumstances will exhibitors be allowed to set up exhibits until all fees are paid. PTG reserves the right to defer assignment of exhibit space until all accounts with PTG are current.

**PERSONNEL**
Exhibitors wishing to attend classes must register and pay separately. Registrations do not include tickets for food functions or other optional activities, which must be purchased separately unless included with a bundle. Badges for exhibit personnel will be issued at the convention registration desk and are not transferable.

**BOOTH ASSIGNMENTS**
Booths are assigned at the sole discretion of PTG; provided, however, that PTG will generally give exhibitors preference based on the exhibit bundle level selected and when the signed contract and deposit is received by PTG. PTG reserves the right to make changes at any time to the location, size and display limits of any exhibit.

**EXHIBITOR SERVICES**
Exhibitors must arrange and contract for collateral services such as decorating, furniture rental, electrical connections, drayage and similar services with the appointed exhibit service contractors. Such services will be billed directly by the contractor. A packet containing service contract order forms and other information will be sent to each exhibitor as soon as booths have been assigned. Those exhibitors who will be displaying pianos should review the information contained in this information packet regarding the movement of pianos from the shipping floor area to the exhibit floor.

**CANCELLATION**
If written notice of cancellation is received by PTG prior to May 10, 2020, PTG shall have the option to refund the exhibit fees less an amount equal to 25% of total cost of space contracted. No refunds will be issued after May 10, 2020. The parties agree that these remedies represent liquidated damages and are a reasonable estimation of PTG’s damages. In the event of cancellation of the PTG Annual Convention and Institute (the “Convention”), the Board of Directors of PTG, in its sole discretion, shall determine the basis for the refund of monies received from exhibitors remaining after payment of expenses incurred, if any.

**OPERATION OF BOOTH**
Selling and order-taking is permitted but must be confined to exhibitors’ booths or the lounge area in the exhibit hall. Exhibitors and their employees, representative and agents may not sell or take orders elsewhere in the exhibit hall or in other convention areas. An exhibitor may exhibit only goods that it manufactures or goods that it is authorized by the manufacturer to exhibit. It is the exhibitor’s responsibility to comply fully with any applicable federal, state and local tax laws and requirements, including but not limited to sales and use taxes.

If PTG determines, in its sole discretion, that an exhibit or the conduct of an exhibitor (a) violates applicable law, (b) violates these terms and conditions or the regulations of the exhibit hall, (c) are objectionable or otherwise detract from or are out of keeping with the character of the Convention and exhibit hall as a whole (whether as a result of noise, method of operation, or any other reason) or (d) is not in keeping with the interests of PTG, PTG shall have the right, without any refund of the exhibit or other fees paid to PTG or others, to require the immediate removal of the exhibit or the offending exhibitor or such lesser remedy as determined by PTG.

Exhibits may not project beyond the space allotted or interfere with traffic to exhibits of others. No demonstrations or other activities interfering with other exhibitors will be permitted. In the interest of accountability and safety, no exhibitor shall assign or sublet or share the space allotted with another business or firm unless approval has been obtained in writing from PTG.

Nails, tacks, gummed labels or stickers and other similar materials may not be used on the walls of the exhibit hall. Exhibitors causing damage to the exhibit hall will be responsible for cost incurred. No signs other than those furnished by PTG may be placed outside of any exhibitor’s space or in doorways or hallways of such space. Design of exhibit floor and hall access locations will be solely the decision of PTG.
