Our Members Are Our Greatest Strength !

QRIMA membership is comprised of four categories: Organizational, Associate, Associate of QRIMA, and Student/Educational/Retired/Transitional. Each category offers varying opportunities and benefits, including preferred pricing to our activities, the right to purchase season tickets, complete access to all of RIMS/QRIMA valuable content and networking opportunities. If you wish to become a member and take advantage of these benefits, we invite you to visit <https://www.rims.org/membership/Pages/CategoriesandDues.aspx> where you will find pertinent information and pricing for each type of membership. If you would like to find out more about the benefits of being a QRIMA Member, we invite you to reach us at agraq.qrima@gmail.com and we will be pleased to contact you to discuss further.

Organizational Members – QRIMA/RIMS

You are employed by a company or an organization where you have risk management responsibilities and your employer does not qualify as an Associate member. The company must be registered at RIMS.org and include you and any number of delegates from your company as members. This membership also offers you the right to sit on the board of directors of the Association.

Associate Members – QRIMA/RIMS

You provide products or services to those in the risk management profession. For example, you are a broker, underwriter, consultant, attorney, accountant, and actuary or outsourced risk manager. You must register individually at RIMS.org and you will benefit from both RIMS and QRIMA member status. Although you will not have the right to sit on the board of directors of the Association, you can be part of a subcommittee.

Associate Members - QRIMA Only

Offered to anyone providing products or services to those in the risk management profession (eg. broker, underwriter, consultant, attorney, accountant, actuary or outsourced risk manager); you are not eligible as delegate of an Organisational Member and do not wish to be an associate member of RIMS.
