It is that time of year again where traffic makes it's unwelcomed appearance and your morning and evening commutes become longer. Yes, I am referring to BACK TO SCHOOL. Hopefully you have enjoyed your summer. This month's newsletter has just a couple of reminders of upcoming events, so be ready to mark your calendars.

October Meeting

The next monthly luncheon is going to be on October 17th at Oak Hills Country Club. As the event gets closer, we will be providing a meeting invite with a link to RSVP. Please mark your calendars in advance. Also just a note, we will be moving away from registering for events through the RIMS website and begin to utilize Constant Contact 100% for this. If you have any trouble registering or do not receive the meeting invites, please let any O&D know and we will be more than happy to assist you.

2013 Golf and Spa Event

Sponsored by South Texas RIMS & Willis

We are only 14 days away from the annual golf and spa event. The Chapter would like to thank all who have registered for the event and look forward to seeing each of you at the beautiful JW Marriott on September 11th and 12th. Our mixer will take place on September 11th at 6:00 pm in the lobby bar area of the JW Marriott and is open to **all members**. The golf event will be on September 12th with 7:00 am registration and an 8:30 am shotgun start. We still have room for golfers!!! Click [here](#) to register!!

If you have any questions about the event please contact [Ken Rizzuto](#). As for our spa attendees, please contact [Debbie Real](#) for all inquiries.

As we have mentioned in past newsletters, this year there is a **Super Ticket** that can be purchased at the event for a \$30 donation. The donation for this ticket will get you entry in the closest to the pin contest, the longest drive contest, two Mulligans, and five additional door prize tickets. Scratch the back of the ticket and the lowest score wins his/her choice of a BRAND NEW TaylorMade R1 Driver. All proceeds from this donation will benefit the Spencer Foundation.
