

Exercise 101

Please join us for a half day event including a networking lunch!

September 26, 2018

Lunch @ 1130am

Canad Inns Polo Park – TYC Event Center

Presented by:

Kristina Gordon

Emergency Preparedness and Response Officer, Public Health Agency of Canada

The second workshop in the series

Exercise Design

In this session, participants will apply the nine exercise design steps to create their own framework for a joint exercise. Working in a small group with facilitator assistance, participants will create all the materials needed to carry out a tabletop exercise. At the end of the day, you will have the start of a tabletop exercise that you can continue to work on to deliver to your organization.

Event Registration now open: www.driecentral.org

Event included in annual membership or
\$50 for Non-members
