JOKES OF THE MONTH

It's So Cold...

We didn't get frostbitten - we got "frostgobbled"!

It's cold enough to freeze the nuts off the Guy Lombardo bridge!

We needed archaeology skills just to read the newspaper. There we were - hair dryer and tweezers in hand - thawing and carefully peeling off one page at a time.

Refrigerators are redundant

Bed bugs promised not to bite - as long as you let them huddle in your jammies!

And....It was so cold the lawyers had their hands in their own pockets!
