## Business Continuity Planning

Join us for interesting discussions and overview of Business Continuity Planning. Understanding and managing risk is more demanding today than ever before with:

- Lean business models
- Operational consolidation
- Extended supply chain networks
- Complex interdependencies

**Presented By:**  
**Christopher Wegman**  
**FM Global**  
Manager of Business Risk Consulting

Chris will provide an overview of Business Continuity Planning through a combination of engineering, business modeling and financial analysis to develop flexible, tailored and efficient solutions to solve risk management problems and strengthen resilience.

*We hope you can join us!*
