At Otis, we move billions of people every day. How? Through our talented team of more than 68,000 employees who are passionate about what we do and what's next. From our foundation of excellent products (escalators, elevators and moving walkways) to our next chapter of digital transformation, this is a great time to join us as an Associate Director, Risk Management, based in Farmington, Connecticut.

You could be part of our next chapter as Associate Director, Risk Management, by leading, implementing and coordinating internal Risk Management alignment and approved global solutions that deliver exceptional customer service to a best-in-class risk organization.

Essential Responsibilities:

- Negotiate, manage and act as primary point of contact on key insurance programs namely international casualty, property, surety, marine and other assigned programs.
- Manage asset protection programs working directly with internal and external stakeholders
- Manage brokers, insurers and third-party administrators for Otis to ensure superior quality of global risk management services.
- Coordinate underwriting submission of other key casualty and management liability programs and assist Director in negotiations and placement.
- Coordinate budget and allocation process to business units.
- Provide direction to Otis' businesses on a global basis related to insured and non-insured risk exposures building effective working relationship.
- Facilitate mergers and acquisitions integration as respects all risk management activities.
- Assists and/or leads team projects as appropriate and assigned by the Director.

Education/Certifications:

- A Bachelor of Science or Bachelor of Arts degree in risk management, finance or related field
- An MBA is preferred
- ARM or CPCU certification is a plus

Basic Qualifications:

- Minimum of 15 years of progressive commercial insurance experience notably Corporate Risk Management experience in a public manufacturing company environment
- Multi-national experience preferred
- Developing skills and supervisory experience to eventually assume Director, Risk Mgmt. role
- Strong strategic, managerial problem solving, analytical and project management skills
- Superior interpersonal, verbal and written communication skills
- An exceptional attitude and work ethic with goals of being a significant contributor

Otis is the world leader in reliable, efficient, and technologically advanced elevators, escalators and people-moving systems. Our revolutionary Gen2® elevators, energy-saving ReGen™ drives and NCE “green” escalator have clearly set the industry standard for innovation, safety, and performance. More than 2.4 million Otis elevators and escalators are currently in operation throughout 200 different countries. We are proud to have a global team that continues to rise to the challenges of a fast-moving company. Together, the people of Otis are creating new ideas and opportunities by collaborating across time zones, geographies and cultures. So just imagine where we can take you!
