

Claims Consultant, WSRMP

August 5, 2020

The Washington Schools Risk Management Pool seeks a Claims Consultant to manage complex litigated and non-litigated property/casualty claims for member school districts. Other duties include collaborating with other departments for prevention and training issues and developing and providing claims-based training to member districts in school board meetings.

PSESD is one of nine regional educational agencies serving school districts and state approved charter and private schools in Washington. Serving over 39% of Washington's K-12 public school students, our agency provides critical services designed to ensure that our students are ready to enter school, achieve at high levels in the K-12 system, and succeed in postsecondary endeavors. To learn more about PSESD, visit www.psesd.org/about-psesd.

Minimum Qualifications

- Bachelor's degree in related field;
- Property/casualty claims experience;
- Experience handling litigated claims; and
- Experience with claims tracking and word processing systems.

Preferred Qualification

- Commercial Lines claims experience;
- SCLA, CPCU, and/or AIC designations;
- Experience working in the field; and/or
- Ability to review an estimate of damages for reasonableness.

Please note, applicants should describe their experience meeting minimum qualifications (and preferred qualifications if applicable) in cover letter and resume as part of the application and salary placement

process. Unofficial transcripts are required as part of a complete application.
