**FINANCIAL RISK MANAGEMENT PRINCIPLES – LOSS DEVELOPMENT  
SPEAKER: CHRISTINA BELL, LIBERTY MUTUAL**

Please join us for the Houston Chapter's May luncheon meeting. This month we are featuring Christina Bell, Senior Business Analyst at Liberty Mutual, who is presenting **"Financial Risk Management Principles – Loss Development"**.

The purpose of this session is to provide discussion and concepts related to loss development. The course is intended to educate participants on the concepts of loss development and what drives loss values to change and "develop" over time. A detailed discussion provides understanding of underlying assumptions that lead to loss development including IBNR. Ms. Bell will also help us understand how loss triangles are employed in the calculation of development to ultimate factors including how they are derived and used in calculating ultimate loss and the methods employed.

Christina Bell is an analyst in the Risk Management Consulting group at Liberty Mutual. Christina brings value to brokers and customers by providing insight and solutions based on data made actionable through targeted analyses.

Originally from Buffalo, New York, Christina earned her MBA in Finance from the University of Buffalo. She attended Canisius College where she earned her Bachelor's Degree in Marketing and graduated from the All-College Honors Program. As a part of her professional development, she is currently pursuing the Chartered Property Casualty Underwriter (CPCU) designation.

This session has been approved for 1 hour of CE credit.

**Please RSVP by Friday, May 15th.** We look forward to seeing you.
