

## CorVel Corporation

Making a difference in healthcare outcomes.®

CorVel is a national provider of risk management solutions for employers, third party administrators, insurance companies, and government agencies seeking to control costs and promote positive outcomes. We apply technology, intelligence, and a human touch to the challenges of risk management so our clients can intervene early and often while being connected to the critical intelligence they need to proactively manage risk. With a robust technology platform at its core, our connected solution is delivered by a national team of associates who are committed to helping clients deliver programs that meet their organization's performance goals.

Our innovative solutions combine claims management technologies with industry leading medical cost containment services to meet our customers' diverse needs. We specialize in applying advanced communication and information technology to improve healthcare management for workers' compensation, health, disability and liability. Our quality and innovative customer service commitment extends from every CorVel associate to each customer, business partner and patient. Learn more at [www.corvel.com](http://www.corvel.com)
