Adrian leads the HUB CA Executive Liability Practice. He is well-versed in the complex issues facing public, private and non-profit organizations in the realm of Executive Risk, strategically advising clients on a broad spectrum of management liability coverages, including directors and officers liability, employment practices liability, data security, and errors & omissions programs. Adrian understands the stakes are higher now more than ever for his clients. He and his team take a forward-looking view of each client's unique risk profile ensuring that not only the right coverages are put in place, but that corporate governance issues are also incorporated.

Adrian has several years of experience managing executive liability programs for companies ranging from mid-sized to Fortune 500. Prior to joining HUB, Adrian served as President of Intercare Insurance Solution's Executive Risk Division. He also served as Practice Leader of the Marsh San Diego Financial & Professional Products (FINPRO) department. Prior to Intercare and Marsh, Adrian gained an "insider's" perspective of executive liability issues as Territory Manager for Chubb's Executive Protection department in San Diego and Los Angeles.
