Join us for our annual Joint Meeting, co-hosted by South Florida PRIMA.

The speaker for our upcoming meeting will be **Barry Dillard, Director, Risk Strategies, Insurance and Compliance for Walt Disney Parks and Resorts US**, and the topic will be "Risk Management at the Happiest Place on Earth!"

Barry will discuss the challenges and benefits of operating as a self-insured and self-administered entity on a property twice the size of Manhattan. His talk will give an overview of the Risk Management function at the Walt Disney World Resort, as well as a glimpse into guest liability claim handling.

- **Thursday, May 16th**
 - 6 PM - Sponsored Cocktail Party
 - 7 PM - Dinner and Presentation
 - **Fee: \$35 * No-shows will be billed ***
- Sheraton Suites Cypress Creek**
555 NW 62nd Street
(Cypress Creek Road west of I-95)
Ft. Lauderdale

RSVP no later than May 13th to Lglasser@amerijet.com or (954) 320-5363

We're always looking for door prize sponsors...

If you're interested in providing a door prize at one of our meetings, please contact us.

This is an easy way to introduce your company and provide a pleasant surprise at the end of our meeting.

Are you interested in ways to promote yourself and your company?

Well, the Broward County Chapter is making plans now for events that will provide that opportunity. Do you have a pencil handy?

❖ Become a Broward County Chapter Member:

- There's no better way to have direct access to EVERYONE that participates in our chapter meetings and events. We're also developing the Members Only area of our website, and provide restricted contact information to Members only. PLUS, all of the benefits of national RIMS membership. See our website for more details.

❖ Come to our meetings and events:

- Member or Friend... everyone's welcome to join us. Network before, introduce yourself during, and mingle after. There's no better way to become a part of the South Florida risk management community.

❖ Provide a door prize, and have the opportunity to introduce yourself and your company.

❖ Annual Charity Auction in September:

- Co-sponsor the cocktail hour before dinner... your name will be included in our event emails and will be on each table as a way to express our gratitude for your assistance. Donate an item for auction... your organization's name will be announced at the event, and we'll assemble a list of our donors that will be distributed. PLUS (and most importantly), you'll be helping to care for our kids.

❖ Holiday Party in December:

- Be a party sponsor... the information with the sponsorship levels will be posted as the party approaches. As a sponsor you'll be entitled to perks, as well as the recognition that you're due. More sponsors mean a lower price for the party (and our eternal thanks).

❖ Risk Management Vendor Fair in March:

- Be an exhibitor!!! This is your opportunity to show what you've got, at a reasonable price. We're opening this event to the other professional organizations in the tri-county area, and will have complimentary cocktails and food for your potential clients. Co-sponsor the cocktail hour. All event sponsors will be promoted in our event notices and at the event itself.

❖ Annual Joint Meeting in MAY:

- Co-sponsor the cocktail hour. We invite all of the other local risk management-related professional organizations to join us for our April meeting (PRIMA, ASSE, CPCU, Claims Association), so this is a great opportunity to be exposed to a large professional mix. All event sponsors will be promoted in our event notices and at the event itself.

Need a job? Need highly skilled professionals?

Check the Job Bank at our website for the details – we have several people that are looking!
