

# Important Changes to Your Policy!

**Your auto insurance benefits are changing. Before you renew your policy, you need to make important coverage decisions**

Effective June 1, 2016, the Ontario government has introduced changes to the automobile insurance system to help make insurance premiums more affordable. These changes only apply to auto insurance policies issued or renewed on or after June 1, 2016.

The changes will give you **more choice** over the coverages you select and the price you pay for auto insurance. Many of the changes affect the Statutory Accident Benefits you receive if you are injured in an auto accident, regardless of who is at fault. Some of these benefits have been reduced and some options for increased coverage have been eliminated or changed.

**Your enclosed policy automatically has the new lower standard benefits that will take effect on your renewal date.** The most significant changes to your policy are:

Benefit	Current Policy	New Policy	You can choose <sup>1</sup>
Medical and Rehabilitation for non-catastrophic injuries	\$50,000	These benefits have been combined and reduced to <b>\$65,000</b> total	Increase the benefit to <b>\$130,000</b> <sup>2</sup> total
Attendant Care for non-catastrophic injuries	\$36,000		
Medical and Rehabilitation for catastrophic injuries	\$1,000,000	These benefits have been combined and reduced to <b>\$1,000,000</b> total	An additional <b>\$1,000,000</b> for a total of <b>\$2,000,000</b> <sup>2</sup> for catastrophic injuries
Attendant Care for catastrophic injuries	\$1,000,000		
Medical, Rehabilitation and Attendant Care, all injuries	Not applicable	Not applicable	Increase the combined non-catastrophic benefit to <b>\$1,000,000</b> and the combined catastrophic benefit total to <b>\$2,000,000</b> <sup>2,3</sup>
<b>To increase these benefits, call your insurance representative</b>			

**Unless you act quickly and contact your insurance representative to increase your benefits or make changes, your coverage will default to the new lower standard benefits.**

**The name and contact details for your insurance representative and your renewal date are on the enclosed policy documents.**

<sup>1</sup> If you have previously chosen to purchase these optional benefits check your policy – they may have changed to reflect amounts available in new options.

<sup>2</sup> Medical, Rehabilitation and Attendant Care benefits for minor injuries are fixed at a maximum limit of \$3,500.

<sup>3</sup> If you purchase both the additional Medical, Rehabilitation and Attendant Care benefit for catastrophic injuries and for all injuries, the total eligible benefit amount for a catastrophic impairment would be \$3,000,000.

## Other important changes to your policy

<b>Minor Accident</b>		Insurer can no longer use a minor at-fault accident meeting certain criteria <sup>4</sup> to increase your premiums. This applies to accidents occurring on or after June 1, 2016.
<b>Interest Rate for Monthly Payment Plans</b>		Maximum that can be charged for monthly premium payments has been lowered from 3% to 1.3% for one year policies, with corresponding reductions for shorter terms.
<b>Comprehensive Deductible</b>		The standard deductible for Comprehensive coverage has been increased from \$300 to \$500.
<b>Non-Earner benefit</b>		The six-month waiting period for people who are not working has been reduced to four weeks. Benefits can only be received for up to two years after the accident.
<b>Duration of Medical, Rehabilitation and Attendant Care benefits</b>		For all claimants except children, duration of this standard benefit is now five years for non-catastrophic injuries, and will be paid only as long as you remain medically eligible.

## Other Options<sup>5</sup>
