**ARM 55 - Risk Assessment and Treatment**

The New York Chapter of the Risk and Insurance Management Society, Inc. will sponsor the ARM 55 Course, "Risk Assessment and Treatment" beginning, Tuesday, February 26, 2019.

ARM 55 will examine the different types of risk and learn how to effectively assess and treat these risks. This course will prepare participants to take The Institutes' ARM 55 examination. After passing the examinations for ARM 54, ARM 55, ARM 56, and The Ethical Guidelines, candidates will be awarded the Associate in Risk Management (ARM) designation by The Institutes.

The program will be taught by a seasoned live instructor; the virtual sessions use Cisco's WebEx platform and you get the added benefit of 2 in-person sessions. The WebEx link will be emailed to all registrants prior to the first class. The platform can support a maximum of 24 students.

The course begins on Tuesday, February 26, 2019 and will be held from 6:00 to 8:00 pm on Tuesday evenings for 10 sessions, including an additional comprehensive review session. The two in-person classes will be held on February 26 and May 7, 2019 at the local RIMS office. Both in-person classes will be conducted via the WebEx for those students unable to attend in person. Further details will be provided to all registrants. The instructor is David Shluger, ARM, CIRM, MBA of Zurich North America.
