

NEW YORK CHAPTER BREAKFAST MEETING

Thursday, May 17, 2018

SAVE THE DATE:

We don't need a global insurance program...or do we?

Hear from seasoned risk managers and brokers who will discuss:

- How to identify the risks of having a global program without local policies
- The benefits and opportunities of having an insurance program that includes local policies.
- When you have a 'hidden' international risk.

Our discussion will cover diverse industries and multiple lines of coverage.

We look forward to an insightful discussion to help you answer these and related questions.
