

# NEW YORK CHAPTER BREAKFAST MEETING

Thursday, October 18, 2018

## *How Big Data, Artificial Intelligence, and Analytics are Reshaping Risk Management*

---

The Fourth Industrial Revolution is here, and Risk Managers want and need to be on leading edge of it. Join us to discuss how Big Data and Artificial Intelligence can deliver unprecedented insights and drive superior results. How analytics will revolutionize the way you look at risk, elevating the bold risk manager to optimize risk transfer while influencing corporate strategy. Finally how the right analytical tools, big data and AI will help you produce actionable outputs in financial terms, supporting enhanced collaboration among risk management, finance and executives.
