## *Strategic Vendor Risk Management*

Have you wondered how the data security compromises and other scandals involving vendors could have been avoided? Do you have questions about the NYSDFS' cybersecurity regulations, the GDPR, and California's version of the GDPR? Do you understand the benefits and limitations of insurance as a risk mitigator for vendor negligence or malfeasance? Our distinguished panel will lead a discussion of all these issues. Learn how to better protect and create value by strategically managing your vendors.
