Program:

The Book Scholarship Program provides a maximum of \$750 per student. Scholarship grants are paid on a first-come, first-served basis. The approval and payment of any scholarship grant is based solely on the discretion of the MRIMS Education Committee. The Board of Directors determines the amount of funds to be allocated to the Book Scholarship Program on a per semester basis; once the allocated funds for a given semester are exhausted, no further scholarship grants will be paid. MRIMS makes no representation that the book scholarship program will continue in the future.

Eligibility:

Participants must be enrolled as a full-time student in a post-secondary Higher Education Institution. Members and supporters of MRIMS, their family members and those sponsored by a MRIMS deputy member are eligible to apply to the Book Scholarship Program. Applicants must be enrolled as full time students at a post-secondary higher education institution. Scholarship grants may only be used for the current term/semester. The scholarship grant must be the sole source of reimbursement for the applicant's purchase of books and cannot be used in conjunction with any other grant offering reimbursement for the cost of books. In the event of high demand, MRIMS may limit each applicant to one scholarship grant per school year. The applicant's receipt of a scholarship grant does not guarantee the receipt of any future scholarship grant.
