

The Risk and Insurance Management Society, Inc. (RIMS) is a not-for-profit organization dedicated to advancing the practice of risk management, a professional discipline that protects physical, financial and human resources.

RIMS membership is the cornerstone of the Society. In regular meetings, risk managers exchange ideas and engage in networking with other local companies and industry counterparts.

**The Oregon Chapter of RIMS** is a vibrant and active chapter led by an experienced and dedicated board.

**Our mission is to promote the profession of Risk Management by providing opportunities for personal and professional development through education, social events, and community service.**

For additional information about RIMS nationally and around the world visit [www.rims.org](http://www.rims.org). To find out more about the Oregon Chapter and membership information visit <http://oregonrims.org>
