Paul H. Brewbaker is the Principal of TZ Economics, a Hawaii economics consultancy. His background in research on the Hawaii economy and financial risk analytics stems from a 25-year affiliation with Bank of Hawaii, concluding as its Chief Economist. He is a graduate of Stanford University, did graduate work at the University of Wisconsin, and received his Ph.D. in Economics from the University of Hawaii. He has lectured extensively in international, monetary, and financial economics. He is a member of the American Economic Association, the American Finance Association, and the National Association for Business Economics, from which he holds the Certified Business Economist designation.

Please RSVP to your RMA bank representative before Thursday, June 7, 2018.
