\$20 Per Person

FEATURED SPEAKER

Carl Bonham, Ph.D.

Executive Director, UHERO

Professor of Economics, University of Hawai'i

Event: Zoom Presentation on State of Hawaii's Economic Forecast

Zoom link provided upon registration.

About Dr. Bonham

Carl Bonham was a founding member of UHERO in 1997 and currently serves as UHERO's Executive Director and Professor of Economics. Carl's research interests include macroeconomics, applied econometrics and forecasting, tourism economics, and the Hawaii economy, with his current research focuses on mixed frequency models for nowcasting inputs for UHERO's quarterly Hawaii Forecasting System. Dr. Bonham has also served on the State of Hawaii Council on Revenues since 1996, the House Select Committee on Covid-19 Economic and Financial Preparedness from 2020 to 2021, and Governor Green's Build Beyond Barriers Working Group from 2023 to 2024.

Registration: \$20 per person. Zoom link to be provided upon registration.
