Brandon Bryant was a beloved Memphis banker who passed away from pancreatic cancer in 2021. Brandon served for many years as the President of the Memphis Chapter of the Risk Management Association (RMA) and also served a term as President of the Mid-South Regional Chapter. He was instrumental in furthering the mission of RMA, whose sole purpose is to advance the use of sound risk principles in the financial services industry.

The Memphis Chapter seeks to achieve that goal by providing timely, relevant events and programming, as well as networking and volunteering opportunities that help our members make professional connections while developing their careers.

A portion of the proceeds of the Brandon Bryant Memorial Golf Tournament goes to fund scholarship opportunities for Memphis area bankers to attend Barret School of Banking. RMA is a non-profit organization.
