Please join us on Tuesday, Feb. 21st for an informative Lunch & Learn to hear about our expert panel's views of the current residential and commercial real estate markets, and how the increasing interest rate environment and slowing economy is expected to further affect the market dynamics. Our expert panel has substantial experience from prior real estate cycles and are actively involved in real estate liquidation. Our panelists will share their respective viewpoints regarding the potential new era for lenders, risk management experts and bargain hunters.
