Thursday October 22, 2020

Time: 9:00AM-10:30AM

WebEx Virtual Event

Topics:

- Background of LIBOR and why it's going away; high level impact on the Industry
- Timing of transition / deadlines / milestones
- Secured overnight financing rate (SOFR) and other indices that banks are utilizing
- Re-documenting loans and replacement language
- Regulatory impact
- Q&A

This event is being hosted at no charge. Please respond via email to Neth Nusbaum (jnusbaum@mtb.com) to register for the event. A meeting invite will be sent out after registration. We will open a poll on [Mentimeter](#) to submit questions for the presenters. The poll will remain open through the call.
