“2023 was an incredible year focused on growth and investment in Tulsa. Our successes in 2023 have allowed us to already hit the ground running in 2024 and I look forward to seeing what we accomplish in the year ahead.” Mayor Bynum

Sworn in as the 40th Mayor of Tulsa in 2016 and overwhelmingly re-elected by Tulsans in 2020, Mayor G.T. Bynum has focused on fiscal responsibility, data and innovation, public safety, infrastructure, and equality of opportunity for all Tulsans. Throughout his time in office as Chief Executive Officer, managing nearly a billion-dollar budget and 4,000 employees, Mayor Bynum has created a globally competitive city.

During Mayor Bynum’s tenure, Tulsa has thrived under his leadership by welcoming the two largest new employers in Tulsa history while also celebrating the largest investment in Downtown Tulsa to date. Since taking office, Mayor Bynum has also successfully managed significant challenges facing Tulsa’s growing community, including natural disasters and the COVID-19 global pandemic—showing Tulsa is a strong and resilient community.
