RMA is a member-driven professional association whose sole purpose is to advance sound risk management principles in the financial services industry.

RMA helps our members use sound risk management principles to improve institutional performance and financial stability, and enhances the risk management competency of individuals through information, education, peer sharing, and networking.

The RMA Wisconsin Chapter serves all of the financial institutions in Wisconsin. We hold over 30 educational classes and programming events throughout the year. By sponsoring our events you help the Chapter reach out to more financial professionals and to provide outstanding speakers and more enhanced programming.

Ways you can benefit from RMA sponsorship:

- Build brand awareness
- Expand your referral network by tapping into an additional source of professional interaction
- Demonstrate your expertise and reinforce your positive image through direct contact
- Position your firm to be opportunistic as new deals arise
