EdTA Event Participation Code of Conduct

Event Participation Code of Conduct

1. Introduction

The Educational Theatre Association (EdTA) is dedicated to providing a safe and productive experience at all sponsored events for all participants, regardless of gender or gender identity, race, color, personal appearance, national origin, religion, age, physical disability, mental disability, perceived disability, medical condition, ancestry, marital status, sexual orientation, or any other basis protected by federal or applicable state laws or local ordinances. EdTA does not tolerate discrimination, or any form of unlawful harassment or abusive conduct, and is committed to enforcing this Event Participation Code of Conduct at all EdTA events.

The purpose of this EdTA Code of Conduct is to provide clarity regarding unacceptable conduct and, in the event of accusations of misconduct in connection with EdTA events, direction on procedures that shall be followed. In addition to this Code of Conduct, all participants, including, but not limited to, attendees, speakers, volunteers, exhibitors, service providers, and all others are expected to abide by the Virtual Programs Code of Conduct. These codes apply to all EdTA events and activities, including virtual and non-virtual events and functions. It also applies to events and activities sponsored by organizations other than EdTA and its licensees and affiliates but held in conjunction with EdTA events, on public or private platforms.

Any complaints should be formally submitted using the [Incident Complaint Form](#) posted on the EdTA website. Any complaints will be documented and reviewed.

EdTA reserves the right to update or change these codes without notice.

2. Scope of the EdTA Code of Conduct

EdTA requires compliance with the EdTA Code of Conduct by all participants, staff, volunteers, guests, and vendors at all EdTA conferences, meetings, meeting breakout sessions, programs, activities, and social events as well as at all EdTA meeting-related events that are expressly sponsored or promoted by EdTA (“Event” or “Events”).

Jurisdiction

If an EdTA participant experiences inappropriate behavior at the participant’s own or another institution, or online but not via EdTA -sponsored Events, that participant should contact the individual at that location or the individual’s home institution who handles such issues, such as the local administration, law enforcement, or mental health counselor.

The above procedures cover situations where all of conditions A-C are met:

- A. The alleged incident occurred during an EdTA sponsored activity, including events, meetings, or related activity, including electronic and in-person communications.
- B. The accused is acting in their capacity on behalf of the EdTA (employee, volunteer, participant, delegate, etc) at the time of the incident(s.)
- C. The alleged victim is acting in their capacity as a participant of an EdTA event.

Investigation

EdTA will promptly and impartially investigate the facts and circumstances of claims of inappropriate conduct or harassment at EdTA Events. EdTA will make every effort to keep the reporting individual's concerns confidential and will not deliberately share personal information other than to the investigator(s); however, confidentiality cannot be guaranteed if there is reasonable cause to report the incident to Child Protective Services, law enforcement, or site administration.

During an investigation, EdTA or a designee is subject to obligations of confidentiality, and will do the following to make a determination as to appropriate action:

- document the nature of the complaint;
- interview the complainant;
- conduct further interviews as necessary, such as with witnesses or, at an appropriate time, the accused;
- document EdTA's findings regarding the complaint;
- document recommended follow-up actions and remedies, if warranted; and
- inform the complainant of EdTA's findings.

Upon completion of the investigation, EdTA will take corrective measures against any person who has engaged in conduct in violation of this policy, if EdTA determines such measures are necessary.

Upon receipt of a complaint, EdTA reserves the right to immediately remove an individual in order to ensure that the Event may proceed safely and without undue interruption.

3. Prohibited Conduct

Prohibited conduct at EdTA Events includes, but is not limited to:

- a. harassment based on gender or gender identity, race, color, personal appearance, national origin, religion, age, physical disability, mental disability,

perceived disability, medical condition, ancestry, marital status, sexual orientation, or any other basis protected by federal or applicable state laws or local ordinances;

- b. demeaning comments or harassment about a person's professional status or qualifications;
- c. sexual harassment, as defined in Section 4;
- d. abusive conduct (including but not limited to bullying, hazing, harassment) that has the purpose or effect of unreasonably interfering with another person's ability to benefit from and enjoy or participate in the Event, including social events related to the Event and sponsored by EdTA;
- e. undue interruption of any Event, speaker, or session;
- f. violence or threats of violence;
- g. use of illicit drugs or substances that have been declared illegal to possess, use, or distribute without authorization under federal and/or state laws.

The above is not a complete list of what may be deemed inappropriate, abusive conduct, sexual or other unlawful harassment prohibited by law. It is impossible to define every action or word that could be interpreted as inappropriate. However, EdTA has a "zero tolerance" policy toward discrimination and all forms of unlawful harassment or abusive conduct. EdTA reserves the right to discipline Event participants who engage in any inappropriate conduct, even if it is not specifically referred to in this Code.

The tenets of this document do not supercede federal, state, or local mandatory reporting requirements.

4. Harassment Defined

Unlawful harassment includes verbal, physical, in-person, virtual, or other conduct – whether intentional or unintentional – that creates an intimidating, offensive, or hostile environment. It can take many forms and includes, but is not limited to, the following: slurs, epithets, derogatory comments, insults, degrading or obscene words, jokes, demeaning statements, offensive gestures, or displaying derogatory or demeaning pictures, drawings, or cartoons based upon an individual's gender, race, color, personal appearance, national origin, religion, age, physical disability, mental disability, perceived disability, medical condition, ancestry, marital status, sexual orientation, or any other basis protected by federal or applicable state laws or local ordinances.

Sexually harassing conduct in particular includes all of these prohibited actions, as well as other unwelcome conduct, such as unwanted sexual advances; lewd propositions or innuendos; leering; making sexual gestures; making sexually suggestive or graphic comments or engaging in sexually-oriented conversation;

sexually suggestive objects, graphics, pictures, or posters, whether physically displayed in the Event location or accessed over the Internet; making or using derogatory comments, epithets, slurs or jokes; the touching or display of one's own body; or physical touching or assault, as well as impeding or blocking movements.

Sexually harassing conduct can be by a person of either the same or different gender. Conduct that begins as consensual in nature may become harassment if one party withdraws their consent. Sexual or other harassment prohibited by law is unacceptable and will not be tolerated.

5. Reporting an Incident - Must use EdTA [Complaint Report Form](#)

Contact Law Enforcement in the Event of Serious or Immediate Threat

If inappropriate conduct occurs at an Event whereby there is an immediate or serious threat to public safety, victims or witnesses are encouraged to report conduct immediately to law enforcement and to an EdTA adult supervisor.

Any complaints related to EdTA Events and intended for EdTA resolution should be formally submitted using the [Complaint Report Form](#) posted on the EdTA website.

6. Discipline

If the EdTA Executive Director or the ED's designee determines that an individual has engaged in prohibited conduct, the EdTA ED or ED's designee shall determine the appropriate action to be taken. The designee should be someone with appropriate experience and substantial knowledge of investigative processes. Examples of disciplinary actions may include, but are not limited to:

- oral or written warning or reprimand;
- transfer or reassignment;
- demotion;
- reduction of stipend;
- suspension;
- discharge;
- mandated training or counseling of harasser to ensure that they understand why conduct violated the EdTA Code of Conduct;
- monitoring of harasser to ensure that harassment stops;
- restoration of leave taken because of the harassment;
- apology by the harasser;

- monitoring treatment of complainant to ensure that they are not subjected to retaliation by the harasser or others in the work or school place because of the complaint;
- removal from the EdTA Event without warning or refund;
- implementation of conditions upon attendance at future EdTA Events;
- ineligibility for any Thespian or EdTA membership benefit, such as the ability to hold office, audition for or receive scholarships, to wear Thespian Honors, etc.
- removal of EdTA membership;
- removal from any working with EdTA/ITS members.

EdTA may report any incident to proper authorities including, but not limited to, law enforcement and/or school site administration. EdTA will seek to align and adhere to state and local policies.

7. Retaliation Is Not Tolerated

Retaliation for complaints of inappropriate, abusive conduct, or harassment will not be tolerated. Retaliatory behavior in connection with EdTA Events will be investigated in a similar manner to initial complaints. EdTA Employees and members who make complaints of harassment or provide information related to such complaints will be protected against retaliation.

Adopted by EdTA Board of Directors on November 22, 2020

Educational Theatre Association Complaint Procedures

EdTA is committed to taking all reasonable steps to hold participants accountable at its Events, and will make every reasonable effort to promptly and completely address and correct any prohibited conduct that may occur at an EdTA Event.

EdTA complaints must be in writing. The basis of the complaint must be related to conduct defined in the EdTA Code of Conduct. A complaint should be made promptly and in the most expedient manner to a person of authority either at a school site or directly to the EdTA Executive Director (ED) (see [Complaint Report Form](#).)

The complaint procedure is a 2-step process as detailed below.

2-Step Process:

Step 1 (EdTA Executive Director): After EdTA Executive Director has received a complaint it will be referred to a designee for investigation and resolution. The designee will have appropriate experience and substantial knowledge of investigative processes. The designee will investigate the complaint, attempt to resolve the complaint, and make a Step 1 recommendation if the complaint cannot be resolved to the complainant's satisfaction.

- (a) The designee responsible for Step 1 has 30-calendar days from appointment to investigate the complaint, attempt to resolve the complaint, and make a written recommendation on the complaint if it is not resolved. The written recommendation will include the alleged violation of the code of conduct, the rendered judgement, and if appropriate, the disciplinary action.
- (b) The designee responsible for the complaint at Step 1 has wide latitude to attempt to resolve the complaint by conferring with the complainant, the subject, and other parties involved. In some cases, it may involve the designee requesting the complainant and the subject of the complaint to meet and try to resolve the dispute. In other cases, it may not be appropriate to have such a meeting.
- (c) The 30-calendar day time limit for Step 1 may be extended by the written agreement of the complainant.
- (d) The Executive Director makes the decision to accept, modify, or reject the recommendation of the designee.

- (e) The Executive Director sends a written response with the decision to the complainant and the accused.
- (f) The designee will include in the Step 1 decision a notice that the decision may be appealed within fourteen (14) calendar days after the decision is sent to the complainant. The notice will explain how to appeal the decision, where to send the appeal, along with the applicable timeline to appeal.
- (g) The complainant who appeals the Step 1 decision shall provide in writing the reason(s) for the appeal.

Step 2: (EdTA Governing Board): If the complainant or the accused disagrees with the decision in Step 1, they may appeal the decision to EdTA Governing Board. The appeal to the EdTA Governing Board is the final step in EdTA's complaint process.

- (a) The Governing Board President determines the Step 2 designee, who is different from the ED or the ED's designee.
- (b) The Step 2 designee will review the investigation that occurred at Step 1, the Step 1 decision, and the complainant's written appeal.
- (c) The Step 2 designee may but is not required to do more investigation if that designee determines it is necessary. This may include additional interviews of the complainant and other relevant witnesses.
- (d) The Step 2 designee will attempt to resolve the complaint with the complainant. If this is not possible, the Step 2 designee will issue a recommendation.
- (e) The designee responsible for Step 2 has 30-calendar days to investigate the complaint, attempt to resolve the complaint and make a written recommendation to the complaint.
- (f) The 30-calendar day time limit for Step 2 may be extended by the written agreement of the complainant.
- (g) The Board of Directors makes the final decision to accept, modify, or reject the recommendation of the designee.
- (h) The Board of Directors sends a written response with the final

decision to the complainant and the accused.

- (i) It is EdTA's goal that the complaint process be completed within the stated timeline from initial complaint to render the final decision.

Complaints that cannot be processed within the timeline

There may be situations where it is not practical that a complaint can go through the 2-step process from start to finish within the stated timeline. In these instances, EdTA will work with the complainant to come to a mutual agreement on the path forward.

If a complaint is received at the end of the school year, and an investigation must include interviews of staff and students who may be unavailable during the summer months, it may be necessary for EdTA to extend the time to complete the investigation.

Investigations

Investigations will normally occur at Step 1 after a complaint is received. The Step 1 designee may be the investigator, or a third-party investigator may conduct the investigation. The investigator will not be a person who is the subject of the complaint or who is directly involved in the subject matter of the complaint.

Legal Counsel: At the sole discretion of the Executive Director or designee, it may become necessary to request EdTA's legal counsel to assist EdTA in an investigation.

Conflict of Interest

In the event that the complaint names the EdTA Executive Director or member(s) of the EdTA Board of Directors, the named party will be suspended from making decisions related to the investigation until disposition of the case or resolution determined by EdTA Board of Directors.

If the EdTA Executive Director may have a conflict of interest with the parties involved in the complaint report, a copy of the complaint report shall be submitted to the President of the EdTA Governing Board who shall appoint the Step 1 designee. The Executive Director may take immediate action to ensure no further harm takes place. Any appeal would be led by the Vice President.

Notification

The investigating designee is required to notify the individual whom the complaint is filed against in writing. The individual who files the complaint will be notified in writing if the complaint is deemed unsubstantiated. Where the complaint is deemed unsubstantiated the written notification must detail the reasons why the complaint was deemed unsubstantiated. The investigating designee reserves the right to request an interview with the complainant, the accused or any other individual named by either party as a witness to the incident reported. If the Executive

Director/Designee deems the complaint valid, the individual who is accused of the Code violation will be subject to disciplinary action.

Rights

Rights of the Complainant include:

- ◆To decide whether to file a formal complaint
- ◆To be separated from the accused during the investigation
- ◆To be notified of the outcome of the investigation as soon as possible upon the completion of the findings
- ◆To appeal the decision to the Governing Board of Directors

Rights of the Accused include:

- ◆To receive a fair and impartial investigation into the complaint
- ◆To be informed, in writing, of the complaint against them
- ◆To be notified immediately of the outcome of the investigation
- ◆To appeal the decision to the Board of Directors

EDUCATIONAL THEATRE ASSOCIATION

Volunteer Application

The Educational Theatre Association (EdTA) Board of Directors recognizes volunteers as necessary and valued assets in the implementation, improvement and enrichment of EdTA programs, events and opportunities for students. The productive participation of volunteers enhances the education of students while maintaining a safe environment and upholding the norms, policies and procedures established by local school districts.

In alignment with district prerequisites, at the district and school levels, volunteers associated with EdTA programs and events with direct, unsupervised contact with students such as accompanists, tech/stagecraft support, coaches, chaperones, etc., would be required to submit all necessary forms and certifications, including, and not limited to, a Volunteer Application form and a Criminal Records Check. Submission of the Volunteer Application and completion of the Criminal Records Check process would be updated every three years. Volunteers are responsible for completing all forms honestly with accurate information. It is expected each volunteer would meet all prerequisites and all information would be handled in the strictest confidence.

Volunteers participating in EdTA programs and events without direct, unsupervised student contact such as speakers, session leaders, etc., are minimally required to submit a Volunteer Application form and any documentation appropriate for the specific site or event. Associated school districts, private and charter schools may have additional requirements.

Supervised and unsupervised contact between volunteers and students can, and often does, include a significant element of electronic, virtual communication. For the duration of a sanctioned partnership between an EdTA volunteer and a student (e.g., coaching a student for a performance, providing accompaniment for a student for a solo, etc.), the volunteer must follow all established protocols for electronic communication such as including an authorized adult (e.g., teacher, parent/guardian, etc.) in all text messages, emails, etc. Once an event has concluded, volunteers will not engage in ongoing electronic communication with students.
