

Theatre IN OUR Schools

Theatre has a unique way of connecting people from diverse backgrounds. Theatre gives students a voice. Theatre creates shared experiences. Theatre brings us together. TIOS is a special time to share your story on how school theatre has affected you.

#TheatreInOurSchools

The American Alliance for Theatre & Education (AATE), the Educational Theatre Association (EdTA), and the International Thespian Society (ITS) partner to sponsor Theatre in Our Schools (TIOS), to raise public awareness of the impact of theatre education and draw attention to the need for more access to quality programs for all students. TIOS presentations and advocacy may happen anytime in schools, theatres, and other public spaces. We recognize and promote March as the official TIOS month, with a series of community- and school-based events and celebrations nationwide.
