In 150 words or fewer, explain why you want to have a theatre arts honor society at your school. How do you see an ITS troupe benefitting your students, theatre program, and school?

Terms of membership for ITS troupes. To be affiliated with the International Thespian Society (ITS), a division of the Educational Theatre Association (EdTA), a school's charter application must be successfully processed, annual troupe dues must be paid, and minimum membership requirements must be met. A school-based student organization, a Thespian troupe or Junior Thespian troupe, is created. The school administration appoints the troupe director who becomes the single, official representative of the school and troupe to EdTA. Troupe directors are subject only to the authority of the school's administration and the EdTA Board of Directors. The troupe director is a professional member of EdTA as long as the troupe maintains active status. All correspondence from EdTA will be sent to the troupe director's attention only. It is the troupe director's responsibility to forward all invoices and statements for processing as required by the school's payment policies and procedures. The troupe director must authorize all transactions, orders, rosters, and membership queries EdTA receives from the troupe and is responsible for keeping copies of all correspondences for the troupe record. **The school agrees to be legally and financially responsible for all troupe activity. By signing on page 1, the troupe director and principal indicate their agreement to these terms as well as those set forth in the EdTA Code of Regulations, Code of Professional Standards, policies, and the Thespian or Junior Thespian Troupe Handbook, which are available for review at schooltheatre.org.**

Student membership. To reinstate your troupe under the Troupe Reinstatement Grant program, you must submit a minimum of six new student members. The grant covers the cost of a maximum of ten new members. Additional students may be inducted at the standard rate along with this form or in the future. Troupes must have a total of at least six active members at the end of each school year (July 31st). In general, any student who has participated in at least two productions for a total of 100 hours of work is eligible for International Thespian Society membership. Please list your inductees on the following pages. Obtain correct spelling of name and current address information from all inductees to ensure they receive their *Dramatics* magazine subscriptions. Do not copy from school records. There will be a fee for replacement membership cards and certificates. Reporting gender is optional.

MAIL POLICY: A correct mailing address is required for induction. EdTA/ITS may share Thespian mailing information with colleges, universities, or other organizations that might be of interest to members. Thespians may opt out at any time by logging in to schooltheatre.org and updating their online member profiles.

EMAIL POLICY: A correct email address is required for induction. EdTA/ITS does not release Thespian email addresses to third-party vendors but may deliver carefully screened offers and information on behalf of selected schools and organizations. Thespians may opt out at any time by updating their online profiles.

BIRTHDATE POLICY: A correct birthdate and year is required for induction. Member birthdates are stored on secure servers and are for internal, EdTA/ITS use only. They are not released to outside individuals or organizations. The combination of name and birthdate creates a unique identifier to help avoid errors, reduce duplicate records, and distinguish alumni in the future.

EdTA/ITS reserves the right to change these policies.

Please keep a copy of this completed form for your records and allow two weeks from date of receipt for processing. Grant and fees are in effect August 1, 2019 to July 31, 2020 and are non-refundable. Once submitted, inductions cannot be canceled and are non-transferable.

If the grant and reinstatement are approved, the troupe director will be notified by email, and a troupe reinstatement package will be mailed to the troupe director's attention at the troupe address. This will include a troupe charter certificate and membership roll along with certificates, membership cards, parent stickers, and induction pins for all new members listed. *Dramatics* print subscriptions (bimonthly) will begin within six to eight weeks after processing. By logging in to schooltheatre.org, inductees may access digital issues of *Dramatics* magazine from induction through the year following high school graduation.

Annual troupe renewal dues will be required to keep the troupe active once the school year covered by the grant has been completed. Your annual dues pay for troupe director benefits including access to Theatre Educator Pro, Career Center, Mentor Match, discounts on events and merchandise, and subscriptions to *Dramatics* and *Teaching Theatre* magazines (value \$85). In addition to honor items, student benefits include exclusive ITS programs such as chapter events, the International Thespian Festival, and International Thespian Excellence Awards. \$19.01 of each student fee is payment for a subscription to *Dramatics* magazine. All dues and fees also support the operation of the International Thespian Society and Educational Theatre Association. A portion of all induction fees is allocated to your chapter to support chapter programming.

Troupe management information is available online at schooltheatre.org/troupehandbook.
