

SFPE Student Membership Opens Doors

SFPE mission is to define, develop, and advance the use of engineering best practices; expand the scientific and technology knowledge base; and educate the global fire safety community, in order to reduce fire risk. As a student you will receive a subscription to SFPE's quarterly magazine, Fire Protection Engineering, discounts on publications and merchandise, full use of

the member-only website, opportunities to join a committee to make a difference and much more. This membership is the gateway to your future aiding in projects and papers, researching fire safety and fire protection engineering to helping find employment upon graduation. Discover SFPE member benefits that are most relevant to you and your chosen profession.
