

POSTER SESSION 5

FRIDAY, APRIL 8, 2022, 4:30-6:00 PM

Poster Number	Description
PS5-1	Association between Maternal Diabetes, Race and Neighborhood Socioeconomic Status Milda Saunders Scientific Abstract: Research Distinguished Professor in Health Equity Poster Walk and Talk Poster
PS5-2	Unequal Distribution: Access to SARS-COV2 testing sites in comparison to SARS-COV2 positivity rates in Monroe County March - October 2020 Georgia Farrell Scientific Abstract: Research Distinguished Professor in Health Equity Poster Walk and Talk Poster
PS5-3	Expediting Access to Methadone via the "72-Hour Rule" in a Substance Use Disorder Bridge Clinic Jessica Taylor Scientific Abstract: Ambulatory Medicine Distinguished Professor in Health Equity Poster Walk and Talk Poster
PS5-4	Preferences of Latinx Primary Care Patients and Family Members Regarding Dissemination of Diabetes and Chronic Kidney Disease Health Education Materials Maritza Luzanilla Scientific Abstract: Research Distinguished Professor in Health Equity Poster Walk and Talk Poster
PS5-5	COVID-19 and Changes in Reported Social Risk Factors at a Primary Care Practice in the South Bronx Alexander Azan Scientific Abstract: Research Distinguished Professor in Health Equity Poster Walk and Talk Poster
PS5-7	Using objective electrocardiographic data to better predict mortality in patients hospitalized with COVID 19 Bobby Malik Scientific Abstract: Research
PS5-8	Optimization Of The My Life, My Story Narrative Medicine Program For Patients With Limited-English Proficiency Jhoely Duque-Jimenez Scientific Abstract: Hospital-Based Medicine
PS5-9	Trends in the Utilization of Medically Appropriate and Low-Value Care During the First Six Months of the COVID-19 Pandemic Michelle Rockwell Scientific Abstract: Research
PS5-10	Screening for Food Insecurity in an Internal Medicine Residency Training Clinic - Results from a Pilot Study Natasha Rastogi Scientific Abstract: Ambulatory Medicine
PS5-11	Association of Social Risks with Hospital Outcomes In Hospitalized Patients With Diabetes Mellitus: Analysis from Nationwide Inpatient Database Sanjay Bhandari Scientific Abstract: Hospital-Based Medicine
PS5-12	Understanding Barriers and Facilitators to Natural Disaster Preparedness in Federally Qualified Health Centers in the US: A Mixed Methods Study Myrna del Mar González-Montalvo Scientific Abstract: Ambulatory Medicine
PS5-13	Effects of Medicaid Expansion on Adult Ambulatory Visit Volumes Among Patients with Medicaid Aaron Parzuchowski Scientific Abstract: Research

POSTER SESSION 5

FRIDAY, APRIL 8, 2022, 4:30-6:00 PM

Poster Number	Description
PS5-14	<i>Cultural and Neighborhood Characteristics Associated with Activity-Specific Parenting Practices in Hispanic Youth: A Secondary Analysis of the Hispanic Community Health Study/SOL Youth Ancillary Study</i> Christopher Gonzalez Scientific Abstract: Research
PS5-15	<i>Associations between suboptimal social determinants of health and diabetes distress</i> Emily Harrison Scientific Abstract: Research
PS5-16	<i>Mild Cognitive Impairment and Mild Alzheimer's Disease: The Medical Journey From The Patient, Care Partner And Physician Perspective</i> Stephen Brunton Scientific Abstract: Research
PS5-17	<i>Association of unmet social needs and chronic illness: A cross sectional study</i> Elena Byhoff Scientific Abstract: Research
PS5-18	<i>Relationships between Vaccine Confidence and Vaccine Uptake at a Student-Run Clinic for the Uninsured in East Harlem</i> Christian Stevens Scientific Abstract: Research
PS5-19	<i>Model-projected cost-effectiveness of adult primary care hearing screening in the United States</i> Ethan Borre Scientific Abstract: Ambulatory Medicine
PS5-20	<i>They asked to see a different doctor: Use of a routine OSCE to identify core skills required for supporting targets of discriminatory patients</i> Christine Beltran Scientific Abstract: Medical Education and Education Scholarship
PS5-21	<i>Opioid Treatment Agreements in 2022: A Qualitative Analysis of Clinician Focus Group Perspectives</i> Martin Fried Scientific Abstract: Ambulatory Medicine
PS5-22	<i>Primary Care Physician Reported Outcomes of a Randomized Trial of Shared Decision Making Training for Colorectal Cancer Screening in Older Adults</i> KD Valentine Scientific Abstract: Ambulatory Medicine
PS5-23	<i>Less is More: Deprescribing PPIs in a Resident Primary Care Clinic During the COVID-19 Pandemic</i> Jenny Zhang Scientific Abstract: Ambulatory Medicine
PS5-24	<i>Characteristics of medical malpractice claims filed by patients who experienced an inter-hospital transfer in a large academic medical center.</i> Sweta Singh Scientific Abstract: Hospital-Based Medicine
PS5-25	<i>Psychosocial and structural factors and engagement in care among sexual minority men across racial identities</i> Daniel Teixeira da Silva Scientific Abstract: Research

Poster Number	Description
PS5-26	<i>Improving Diabetes Outcomes through Interdisciplinary Population Health Teams: A Case Study at UPMC Western Maryland</i> Gary Wang Scientific Abstract: Ambulatory Medicine
PS5-27	<i>Who do our patients depend on as they age? An exploratory study of older Chinese and Latinx primary care patients</i> Leah Karliner Scientific Abstract: Ambulatory Medicine
PS5-28	<i>Leading Causes of Death Among Chinese Americans, 2006-2017</i> Natalie Wang Scientific Abstract: Research
PS5-29	<i>Telehealth versus In-Person Primary Care Visits Post-Emergency Department (ED) Discharge: Associations with Return to ED or Hospitalization</i> Vivek Shah Scientific Abstract: Research
PS5-30	<i>National Health Policy Leadership Program for General Internists</i> Anders Chen Scientific Abstract: Medical Education and Education Scholarship
PS5-31	<i>Strategic Teamwork for Effective Practice-Mentor Development Program (STEP-MDP), the Virtual Experiential Learning Edition</i> Sondra Zabar Scientific Abstract: Medical Education and Education Scholarship
PS5-32	<i>Saving for Future Health Care Expenses: A National Survey of US Adults Age 50-80</i> Jeffrey Kullgren Scientific Abstract: Research
PS5-33	<i>Virtually Decided: A Mixed-Methods Exploration of Patient, Provider, and System-Level Factors Influencing VA Cardiologists' Provision of Telemedicine</i> Rebecca Tisdale Scientific Abstract: Research
PS5-34	<i>Can Inflammation in the Mouth Reflect Chronic Stress in the Body? Understanding Peridontal Disease as a Predictor of Allostatic Load: A Cross-Sectional Study NHANES 2015-2018</i> Kristiana Morgan Scientific Abstract: Research
PS5-35	<i>Beyond opioid prescribing: Opioid harm mitigation practice changes associated with a state opioid prescribing law</i> Sarah Hartzell Scientific Abstract: Research
PS5-36	<i>The impact of the ACA Medicaid fee bump on influenza vaccination rates among U.S. teens – evidence from the National Immunization Survey-Teen 2011-2015</i> Felippe Marcondes Scientific Abstract: Research
PS5-37	<i>Changes in U.S. Safety-Net Hospital Finances in the First Year of the COVID-19 Pandemic</i> Paula Chatterjee Scientific Abstract: Research

Poster Number	Description
PS5-38	How Primary Care Intensive Management Supports Coordinated Care for High-Risk, High-Need Patients in the Veterans Health Administration Karleen Giannitrapani Scientific Abstract: Ambulatory Medicine
PS5-39	Share, Trust, Organize, Partner, The COVID-19 California Alliance (STOP COVID-19 CA): Community engagement as a distributive approach to address the COVID-19 pandemic's crises and disparities among California's most vulnerable- how well did we do, and whe Alejandra Casillas Scientific Abstract: Research
PS5-40	Weight Management Prescribing in an Internal Medicine Clinic: What Happens when Financial Barriers are Removed? Morgan Lockhart Scientific Abstract: Ambulatory Medicine
PS5-41	The association of prescribed long-acting versus short-acting opioids and mortality among older adults Minhee Sung Scientific Abstract: Research
PS5-42	The influence of the clinical microsystem on residents' communication skills during clinical practice Mirja van der Meulen Scientific Abstract: Medical Education and Education Scholarship
PS5-43	MDW in Covid-19 Johnson Ong Scientific Abstract: Hospital-Based Medicine
PS5-44	Health services utilization among homeless-experienced adults who engaged with a mobile addiction program Danielle Fine Scientific Abstract: Research
PS5-45	Comparing Outcomes in COVID-19 Patients who Received Standard, Intermediate, or Treatment Dose Enoxaparin and Underwent Intensive Care: A Learning Health System Science Initiative Richard Walo Scientific Abstract: Hospital-Based Medicine
PS5-46	Change Talk - Motivational Interviewing Training amongst Resident Trainees Carolyn Chan Scientific Abstract: Medical Education and Education Scholarship
PS5-47	Patient experience in an intensive primary care management program for high-risk patients in the Veterans Health Administration Linnaea Schuttner Scientific Abstract: Research
PS5-48	The Role of an Interdisciplinary Community Health Track to Prepare Residents to Serve Communities and Cultivate Relationships with Community Based Organizations (CBOs): A Qualitative Analysis Samantha Aloysius Scientific Abstract: Medical Education and Education Scholarship
PS5-49	The Role of Diversity in the Experience of Health Services Research Seminar Series Participants Katherine Chen Scientific Abstract: Research

POSTER SESSION 5

FRIDAY, APRIL 8, 2022, 4:30-6:00 PM

Poster Number	Description
PS5-50	<i>Geriatric Assessment in a SmartPhrase</i> Eva Szymanski Scientific Abstract: Medical Education and Education Scholarship
PS5-51	<i>Impact of beliefs about COVID-19 on PTSD symptoms among cancer survivors</i> Jenny Lin Scientific Abstract: Research
PS5-52	<i>Factors associated with prescription of evidence-based diabetic kidney disease medication in the primary care setting</i> Stephanie Deccy Scientific Abstract: Research
PS5-53	<i>NAFL cirrhosis in primary care patients with diabetes: High prevalence and frequency of severe clinical outcomes</i> Janet Chu Scientific Abstract: Research
PS5-54	<i>Characteristics and Insurance Status of Patients Discharged Against Medical Advice: A Nationwide Study</i> Raphael Bertasi Scientific Abstract: Hospital-Based Medicine
PS5-55	<i>Current and Retired Physicians' Perspectives on the COVID-19 Pandemic's Impact on the Practice of Medicine and Physician Wellbeing</i> Christine Mozer Scientific Abstract: Research
PS5-56	<i>Assessing the utilization of inpatient eConsults during COVID-19</i> Kim Dowdell Scientific Abstract: Research
PS5-57	<i>Pulmonary and Cardiac Smoking-Related History Improves Abstinence Rates in Smokers</i> Zain Khera Scientific Abstract: Research
PS5-58	<i>"It's okay say I don't know": A qualitative study of how trainees mitigate feelings Impostor Phenomenon</i> Susan Mirabal Scientific Abstract: Medical Education and Education Scholarship
PS5-59	<i>A natural language processing program to assess medical students' notes</i> Harry Burke Scientific Abstract: Medical Education and Education Scholarship
PS5-60	<i>Correlations between measures of workforce burnout</i> Robert Badgett Scientific Abstract: Research
PS5-61	<i>Addressing Veterans' access barriers through VA-issued video-enabled tablets: shifts in demographic and utilization patterns before and during the pandemic</i> Zainub Dhanani Scientific Abstract: Research
PS5-62	<i>Upper Extremity Deep Venous Thrombosis after BNT162b2 mRNA Covid-19 vaccine</i> David Levine Clinical Vignette: Hospital-Based Medicine

POSTER SESSION 5

FRIDAY, APRIL 8, 2022, 4:30-6:00 PM

Poster Number	Description
PS5-63	<i>Hospital-Level Care at Home for Acutely Ill Adults in Rural Settings: Proof of Concept</i> David Levine Scientific Abstract: Research
PS5-64	<i>Providing Low-Barrier Medications for Addiction Treatment Via a Telemedicine Call Line to People Experiencing Homelessness in Los Angeles, County</i> Amy Kennedy Scientific Abstract: Ambulatory Medicine
PS5-65	<i>COVID-19 Vaccination Effect on Viral Load and Symptomatology</i> Riannon Atwater Scientific Abstract: Ambulatory Medicine
PS5-66	<i>Updated Colorectal Cancer Screening Guidelines: Who is actually up-to-date?</i> Megan Buckley Scientific Abstract: Research
PS5-67	<i>Where is the PFT? Improving Lung Function Testing Rates Among Adults Presumed to Have Asthma</i> Alana Freifeld Scientific Abstract: Ambulatory Medicine
PS5-68	<i>Understanding the association between patient satisfaction and provider and patient gender and race/ethnicity concordance</i> Aprill Dawson Scientific Abstract: Research
PS5-69	<i>Primary care clinicians' impressions of a Preventive Genomics Clinic</i> Leland Hull Scientific Abstract: Ambulatory Medicine
PS5-70	<i>Impact of night-float rotation length on perceived wellness among 3rd-year medical students</i> Kaitlin Hanss Scientific Abstract: Medical Education and Education Scholarship
PS5-71	<i>Using a simulated 360 experience to assess near-graduates readiness-for-internship: do all assessors tell the same story?</i> Elizabeth Wargo Scientific Abstract: Medical Education and Education Scholarship
PS5-72	<i>Do Senior Residents Contribute to the Learning Curve of Interns and Facilitate Transition From Medical School to Residency Training.</i> Hagar Mahmoud Scientific Abstract: Research
PS5-73	<i>Predictors of Adverse Effects in Patients with an LVAD Hospitalized for Sepsis and Septic Shock</i> Abhiram Challa Scientific Abstract: Hospital-Based Medicine
PS5-74	<i>Training and promotion to support inpatient portal use: Impacts on perceptions of self-efficacy, ease of use, and usefulness</i> Sarah MacEwan Scientific Abstract: Research
PS5-75	<i>Heartache or Bellyache? Epigastric pain, communication skills, and implicit bias: Can we uncover an association in the simulation lab?</i> Cristina Gonzalez Scientific Abstract: Medical Education and Education Scholarship

POSTER SESSION 5

FRIDAY, APRIL 8, 2022, 4:30-6:00 PM

Poster Number	Description
PS5-76	Clinical outcomes in standard of care multiple sclerosis treatment: A case series Landon Crippes Scientific Abstract: Research
PS5-77	Human Immunodeficiency Virus (HIV) infection presenting with progressive rash Rafik ElBeblawy Clinical Vignette: Hospital-Based Medicine
PS5-78	Spinal Large B-Cell Lymphoma in a Patient with Common Variable Immunodeficiency Marwa Qaiser Clinical Vignette: Hospital-Based Medicine
PS5-79	An Empty Gas Tank and a Broken Heart "Diesel Siphoning Induced Pneumonitis" Yousuf Tawfeeq Clinical Vignette: Medical Education and Education Scholarship
PS5-80	A sporadic presentation of rare disease - Dermatomyositis sine dermatitis - Diagnosis and management Ilmaben Vahora Clinical Vignette: Hospital-Based Medicine
PS5-81	Initial Presentation with Priapism in Chronic Lymphocytic Leukemia: A Case Report John Harcha Clinical Vignette: Hospital-Based Medicine
PS5-82	Autosomal Dominant Polycystic Kidney Disease presenting with combined systolic and diastolic CHF- A case report John Harcha Clinical Vignette: Hospital-Based Medicine
PS5-83	Individual with Moyamoya and severe coronary heart disease: A case report John Harcha Clinical Vignette: Hospital-Based Medicine
PS5-84	Bilothorax as a rare cause for Exudative pleural effusion- A case report John Harcha Clinical Vignette: Hospital-Based Medicine
PS5-85	Atypical meningioma resection and subsequent development of Pleomorphic Sarcomatoid Neoplasm- A case report John Harcha Clinical Vignette: Hospital-Based Medicine
PS5-86	Unusual case of patellar metastasis in metastatic lung cancer- A case Report John Harcha Clinical Vignette: Hospital-Based Medicine
PS5-87	Acquired Methemoglobinemia in setting of TEE and routine preoperative meds- A case report John Harcha Clinical Vignette: Hospital-Based Medicine
PS5-88	Pneumocystis jiroveci Pneumonia in a Patient with Sarcoidosis on Chronic Steroids Seo Hyun Kim Clinical Vignette: Hospital-Based Medicine
PS5-89	Thyrotoxic Periodic Paralysis (TPP) due to Grave's disease Ahmed Oglah Clinical Vignette: Hospital-Based Medicine

POSTER SESSION 5

FRIDAY, APRIL 8, 2022, 4:30-6:00 PM

Poster Number	Description
PS5-91	<i>Malignancy or Bulimia? The role of eating disorders in gastric perforation</i> Daniel Amarasinghe Clinical Vignette: Hospital-Based Medicine
PS5-92	<i>Plasmapheresis as the potential gold standard treatment of Eastern Equine Encephalitis</i> George-Joseph Nahal Clinical Vignette: Hospital-Based Medicine
PS5-93	<i>I can't believe it was butter! - Severe fecal incontinence and diarrhea in a 49-year-old man</i> James Duehr Clinical Vignette: Hospital-Based Medicine
PS5-94	<i>Confounding Chemotherapy Concern</i> Allison Whorton Clinical Vignette: Hospital-Based Medicine
PS5-95	<i>Mysteriously Puffy Extremities: An Unintended Consequence of IV Drug Abuse</i> Abhishek Janardan Clinical Vignette: Hospital-Based Medicine
PS5-96	<i>A new diagnosis of Crohn's Disease in patient with right lower quadrant pain</i> Christina Park Clinical Vignette: Hospital-Based Medicine
PS5-97	<i>Pitfalls and Pearls in Treating Friends and Family</i> Keith McAuley Clinical Vignette: Ambulatory Medicine
PS5-98	<i>As Seen on TV: A Cautionary Tale of Vitamin D Supplementation for COVID-19 Prevention</i> Priyanka Solanki Clinical Vignette: Ambulatory Medicine
PS5-99	<i>Severe Hypokalemia as a Cause of Rhabdomyolysis in a Legionella Pneumonia Case</i> Vuslat Muslu Erdem Clinical Vignette: Hospital-Based Medicine
PS5-100	<i>A lot of Pills to Swallow- The Case of a Lithium and Propranolol Overdose</i> Neil Gerts Clinical Vignette: Hospital-Based Medicine
PS5-101	<i>Multiorgan System Dysfunction After Interventricular Septal Rupture</i> Sharonya Shrivastava Clinical Vignette: Hospital-Based Medicine
PS5-102	<i>Do not rashly dismiss a case of secondary syphilis without rash</i> Shyam Sundaresh Clinical Vignette: Ambulatory Medicine
PS5-103	<i>Designer benzodiazepines and their varying effect on clinical presentation</i> Sarah Chaides Clinical Vignette: Hospital-Based Medicine
PS5-104	<i>Pembrolizumab associated cholestatic liver injury successfully treated with early steroid administration</i> Rahul Grover Clinical Vignette: Hospital-Based Medicine

Poster Number	Description
PS5-105	<i>I can't walk around the farm anymore</i> Chloe de Crecy Clinical Vignette: Hospital-Based Medicine
PS5-106	<i>Ticagrelor induced pneumonitis and pulmonary hemorrhage after STEMI</i> AYMAN ELBATANONY Clinical Vignette: Hospital-Based Medicine
PS5-107	<i>Think non-compact cardiomyopathy among causes of congestive heart failure with non-sustained ventricular tachycardia</i> AYMAN ELBATANONY Clinical Vignette: Hospital-Based Medicine
PS5-108	<i>Axitinib Induced Posterior Reversible Encephalopathy Syndrome</i> Can Jones Clinical Vignette: Hospital-Based Medicine
PS5-109	<i>Refractory Hypercalcemia in Diffuse Large B-Cell Lymphoma</i> Rahul Shah Clinical Vignette: Hospital-Based Medicine
PS5-110	<i>Finding Closure in an Unusual Place – PFO Device for Paravalvular Leak Closure</i> Kengo Soghoyan Clinical Vignette: Hospital-Based Medicine
PS5-111	<i>It's All About the Base: A Case of Reverse Takotsubo Cardiomyopathy</i> Brett Curtis Clinical Vignette: Hospital-Based Medicine
PS5-112	<i>When the Flame Starts to Wane: A Case of Caregiver Burnout</i> Raymond Zou Clinical Vignette: Ambulatory Medicine
PS5-113	<i>A case of syphilis with ocular manifestations and review of current treatment practices</i> Justin Tiongson Clinical Vignette: Hospital-Based Medicine
PS5-114	<i>Cutaneous Immune Related Adverse Effect in a Patient with Underlying Autoimmune Disorder</i> Lisa Fosnot Clinical Vignette: Hospital-Based Medicine
PS5-115	<i>Vitamin D Toxicity in Elderly man</i> Katherine Seibert Clinical Vignette: Hospital-Based Medicine
PS5-116	<i>Pizza delivery: when a slice provides the unifying diagnosis of a rare multiorgan lymphoproliferative disorder</i> Alexandra Linn Clinical Vignette: Hospital-Based Medicine
PS5-117	<i>Adrenal crisis due to Sheehan's syndrome.</i> adrese kandahari Clinical Vignette: Hospital-Based Medicine
PS5-118	<i>Another Complication of COVID-19?: A Case of Rhino-Orbital-Cerebral Mucormycosis</i> Matthew Metzinger Clinical Vignette: Hospital-Based Medicine

Poster Number	Description
PS5-119	<i>Navigating HIV Concerns Specific to Transgender and Gender Nonbinary Patients</i> Mark Lieber Clinical Vignette: Ambulatory Medicine
PS5-121	<i>Bilateral Pneumothoraces as a Complication of COVID-19</i> Hector Mora Clinical Vignette: Hospital-Based Medicine
PS5-122	<i>Undifferentiated Pancreatic Carcinoma With Osteoclast-Like Giant Cells</i> Muaaz Masood Clinical Vignette: Hospital-Based Medicine
PS5-123	<i>A Case of Pembrolizumab Induced Multisystem Immune Related Toxicity</i> Mahmoud Abdelhadi Clinical Vignette: Hospital-Based Medicine
PS5-124	<i>A unique case of Candida retinitis in the COVID-19 era</i> Shiva Bongu Clinical Vignette: Hospital-Based Medicine
PS5-125	<i>Discovery of a germline p53 mutation in a patient not meeting diagnostic criteria for Li Fraumeni Syndrome: a cancer surveillance conundrum</i> Angela Lee Clinical Vignette: Ambulatory Medicine
PS5-126	<i>Shoulder Injury Related to Vaccine Administration (SIRVA)</i> Erick Kawegere Clinical Vignette: Ambulatory Medicine
PS5-127	<i>Worth Taking Another Look: Near misses and pulmonary emboli</i> Megan Betancourt Clinical Vignette: Hospital-Based Medicine
PS5-128	<i>COVID-19 with acute colonic pseudo-obstruction</i> Mohammad Asim Amjad Clinical Vignette: Hospital-Based Medicine
PS5-129	<i>Sudden Subdural Hemorrhage In A Patient With Multiple Myeloma.</i> Aquino Williams Clinical Vignette: Hospital-Based Medicine
PS5-130	<i>JUST TAP IT?!: PERICARDIAL TAMPONADE COMPLICATING TYPE A AORTIC DISSECTION</i> Ashley Wojtek Clinical Vignette: Hospital-Based Medicine
PS5-131	<i>Mycetoma secondary to a novel Nocardia species, Nocardia wallacei</i> Anna Jacobs Clinical Vignette: Hospital-Based Medicine
PS5-132	<i>Consideration of Jod-Basedow Phenomenon in the Evaluation of Abnormal Thyroid Tests</i> Houda Abdelrahman Clinical Vignette: Hospital-Based Medicine
PS5-133	<i>Infliximab: A Rare Cause of Paradoxical Psoriasis</i> Tiffany Dharra Clinical Vignette: Hospital-Based Medicine

POSTER SESSION 5

FRIDAY, APRIL 8, 2022, 4:30-6:00 PM

Poster Number	Description
PS5-134	<i>TTE vs. TEE? How about a Cardiac CT?</i> Meaghan McGoldrick Clinical Vignette: Hospital-Based Medicine
PS5-135	<i>Hematuria to Heart Disease: The Hard Way to Diagnose Cardiac Amyloidosis</i> Evan Klein Clinical Vignette: Ambulatory Medicine
PS5-136	<i>Getting to the Heart of the Matter</i> Kristen Lee Clinical Vignette: Hospital-Based Medicine
PS5-137	<i>Time is bone: Severe osteoporosis in the female athlete triad</i> Geetika Arora Clinical Vignette: Ambulatory Medicine
PS5-138	<i>SARS CoV-2 as a risk for angioedema.</i> Mustafa Al-Taei Clinical Vignette: Medical Education and Education Scholarship
PS5-139	<i>SCAD: CAN IMPROVED INTERVENTIONS LEAD TO BETTER OUTCOMES FOR WOMEN?</i> Hilary Wagner Clinical Vignette: Hospital-Based Medicine
PS5-140	<i>A rare presentation of suspected Valproate Induced Cutaneous Vasculitis of the Leukocytoclastic Vasculitis type</i> Demilade Soji-Ayoade Clinical Vignette: Hospital-Based Medicine
PS5-141	<i>A RARE CASE OF THORACIC AORTITIS ASSOCIATED WITH MYELODYSPLASTIC SYNDROME</i> Alexander Bareis Clinical Vignette: Hospital-Based Medicine
PS5-142	<i>One not-so salty lady</i> Melanie Wanigatunga Clinical Vignette: Hospital-Based Medicine
PS5-143	<i>Lymphadenopathy in a young female; lessons for the Generalist</i> ANEEQA ZAFAR Clinical Vignette: Hospital-Based Medicine
PS5-144	<i>Oh Schist... Acute Presentation and Management of Complement-Mediated Thrombotic Microangiopathy</i> Alyssa Kelder Clinical Vignette: Hospital-Based Medicine
PS5-145	<i>Case of Coagulopathy in Liver Disease</i> Garima Gautam Clinical Vignette: Hospital-Based Medicine
PS5-146	<i>Pathogenic ATM gene mutation leading to breast and pancreatic cancer</i> Murali Ranjani Behara Clinical Vignette: Medical Education and Education Scholarship
PS5-147	<i>"Virus that keeps on giving" Rash and Abd pain in a young male</i> Marc Henry Estriplet Clinical Vignette: Ambulatory Medicine

POSTER SESSION 5

FRIDAY, APRIL 8, 2022, 4:30-6:00 PM

Poster Number	Description
PS5-148	An Unusual Case of Refractory Angina Richi Kashyap Clinical Vignette: Hospital-Based Medicine
PS5-149	A case of BKA Associated Bacteremia treated with Dalbavancin Omar Syed Clinical Vignette: Hospital-Based Medicine
PS5-150	Too Much or Too Little: High-Output Heart Failure from Severe Anemia Neil Lim Clinical Vignette: Hospital-Based Medicine
PS5-151	Road blocked without reason: An idiopathic case of acute portal vein thrombosis Raul Lopez Fanas Clinical Vignette: Hospital-Based Medicine
PS5-152	Large Ischemic Stroke as a complication of COVID-19 Kavitha Juvvala Clinical Vignette: Hospital-Based Medicine
PS5-154	Salmonella induced E. coli Bacteremia in a 59-year-old female Chinmay Trivedi Clinical Vignette: Hospital-Based Medicine
PS5-155	Rickettsiae typhi infection with superimposed Methicillin sensitive staphylococcus aureus bacteremia Mohammed Afraz Pasha Clinical Vignette: Hospital-Based Medicine
PS5-156	Sustained Relief of Refractory Restless Leg Syndrome with Cannabinoids Ryan Buck Clinical Vignette: Ambulatory Medicine
PS5-157	Mesenteric venous thrombosis identified after abdominal massage Kyle Roche Clinical Vignette: Ambulatory Medicine
PS5-158	Innovations in Integrated Care for Individuals Experiencing Homelessness Timothy Mercer Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-160	Personal Protective Equipment (PPE) Stewardship: Promoting Efficiency and Increasing Compliance Priya Dave Innovation in Healthcare Delivery (IHD): Hospital-Based Medicine
PS5-161	Inline Clinical Decision Support in Progress Notes: An Investigation of Documentation for Therapeutic Dose Anticoagulation Plan 0-48 Hours Prior to Inpatient Surgical Intervention Katherine Moawad Innovation in Healthcare Delivery (IHD): Hospital-Based Medicine
PS5-162	A Quality Improvement Initiative to Increase Recombinant Zoster Vaccine (RZV) Series Completion Rates at a Veterans Health Administration Rheumatology Clinic Karl Wallenkampf Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-163	A preliminary qualitative assessment of Tea for the Soul as an effective chaplaincy-led care intervention for outpatient General Internal Medicine (GIM) staff Deadra Ashton Innovation in Healthcare Delivery (IHD): Ambulatory Medicine

POSTER SESSION 5

FRIDAY, APRIL 8, 2022, 4:30-6:00 PM

Poster Number	Description
PS5-164	Improving Transitions of Care Via Timely Post-Discharge Follow-Up Vineeth Amba Innovation in Healthcare Delivery (IHD): Hospital-Based Medicine
PS5-165	Bringing Healthcare to Patients' Homes - Description of a Mobile Integrated Health Program in Detroit, Michigan Thomas Hagerman Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-166	"Tee Time" for Early Discharges at a VA Medical Center Eric Johnson Innovation in Healthcare Delivery (IHD): Hospital-Based Medicine
PS5-167	Care One Clinic: An Integrated Practice Unit for Superutilizer patients Nila Radhakrishnan Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-168	Documenting and Addressing Social Determinants of Health in an Underserved Academic Urban Clinic Ines Robles Aponte Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-169	Improving Hospital Follow-Up in a VA Transitions of Care Clinic: A Quality Improvement Project Derek Hupp Innovation in Healthcare Delivery (IHD): Hospital-Based Medicine
PS5-170	C. diff admission screening to identify community colonization & reduce healthcare associated infections Vijay Duggirala Innovation in Healthcare Delivery (IHD): Hospital-Based Medicine
PS5-171	Evaluation of a Quality Improvement Training Program in Western Kenya Jamil Said Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-172	Development and Dissemination of Video Training Modules for Primary Care Practices and Clinicians Enrolled in the STop UNhealthy (STUN) Alcohol Use Now Project Sean Riley Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-173	Increasing Safe Utilization of SGLT-2 Inhibitors in patients with Type II Diabetes and CKD 3A/3B in the outpatient setting: A Resident-Led Quality Improvement Project Doris Cubas Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-174	Utilizing Inpatient Admissions to Increase Universal HIV Screening During the COVID-19 Pandemic and Beyond Sarah Burbank Innovation in Healthcare Delivery (IHD): Hospital-Based Medicine
PS5-175	Penicillin Allergy Stewardship - Improving Clinical Outcomes and Antibiotic Choice by Addressing Low Risk Penicillin Allergies in General Internal Medicine (GIM) Audrey Lohr Innovation in Healthcare Delivery (IHD): Ambulatory Medicine

Poster Number	Description
PS5-176	Prescribing SGLT-2 Inhibitors and GLP-1 Agonists in Primary Care: Improving Rates of Guideline-Concordant Practice Elizabeth Carson Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-177	Improving Colorectal Cancer Screening Rates in a Resident Continuity Clinic Ruwan Parakrama Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-178	MedRec360 - A Medication Reconciliation Quality Improvement Project Dipal Patel Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-179	Making an IMPACT on the COVID pandemic. Victor Vo Innovation in Healthcare Delivery (IHD): Hospital-Based Medicine
PS5-180	Improving Asthma Documentation and Management at a Community-Health Center in Central Harlem Juan Vasquez Mendez MD, Dalgis J. Dunker MD Anne Socorro Corrales MD, Erick Kawegere MD, Tamara Goldberg MD, FACP Juan Vasquez Mendez Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-181	Addressing Colorectal Cancer Screening Disparities in Resident-Delivered Primary Care through Proactive Panel Management Sabrina Layne Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-182	Delivering Difficult News in the 21st Century: A Virtual Protocol Aaron Reyes Innovation in Healthcare Delivery (IHD): Hospital-Based Medicine
PS5-183	Implementation of Ambulatory COVID-19 Monoclonal Antibody Therapy in a Federally Qualified Health Center Urgent Care Clinic Lindsey Fish Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-184	Assessing and Addressing Structural Barriers in Tribal Health Referrals for Complex and Specialty Care at a Tertiary Academic Health Center in the American Southwest: A Work in Progress Jon Tilburt Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-185	MyChart Custom Language Build: Expanding Access to our Patient Portal Bekah McLean Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-186	Optimizing Patient-Provider Matching for Referrals through Algorithmic Generation of Provider Profiles Stephen Koesters Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-187	A Resident-Based Approach Improves Patient Follow-Up in a Primary Care Clinic Elizabeth Jean-Marie Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-188	Clinical Documentation as a Matter of Patient Safety Chirag Kapadia Innovation in Healthcare Delivery (IHD): Hospital-Based Medicine

POSTER SESSION 5

FRIDAY, APRIL 8, 2022, 4:30-6:00 PM

Poster Number	Description
PS5-189	<i>Use of Lean Six Sigma meethod to Improve Screening and Treatment of Alcohol Use Disorder</i> Mahmoud Elsayed Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-190	<i>Addressing Tobacco Use Among Underserved Through Increasing Quitline Referrals at Sacramento County Health Center</i> Brooke Starn Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-191	<i>Beta-lactam Allergies: Demystifying the Delabeling Process</i> Nonie Arora Innovation in Healthcare Delivery (IHD): Hospital-Based Medicine
PS5-192	<i>Internal Medicine Breast Clinic Model for New Breast Cancer Diagnoses at a Large Academic Institution</i> Christine Klassen Innovation in Healthcare Delivery (IHD): Ambulatory Medicine
PS5-193	<i>Addressing Social Needs to Enable Successful Care Transitions for Patients Hospitalized with COVID-19: The Critical Role of Community Health Workers</i> Snehal Patel Innovation in Healthcare Delivery (IHD): Hospital-Based Medicine
PS5-194	<i>A Case of Incomplete Heerfordt's Syndrome</i> Samuel Gregerson Clinical Vignette: Ambulatory Medicine
PS5-195	<i>Flourishing among internal medicine residents during the COVID-19 pandemic: a cross-sectional multi-institutional study</i> David Vermette Scientific Abstract: Medical Education and Education Scholarship
PS5-196	<i>Type of Insurance is Associated with Increased Rate of Departure Against Medical Advice in Patients Hospitalized for Heart Failure</i> Jose Aguilar-Gallardo Scientific Abstract: Hospital-Based Medicine
PS5-197	<i>Characteristics and hospital outcomes of patients with type 1 and type 2 diabetes hospitalized with diabetic ketoacidosis in the United States.</i> Tais Bertasi Scientific Abstract: Hospital-Based Medicine
PS5-198	<i>Amphetamine induced Abdominal pain</i> Sangeetha Isaac Clinical Vignette: Hospital-Based Medicine
PS5-198	<i>Role of Infliximab in management of immune checkpoint inhibitor-induced pneumonitis</i> Sangeetha Isaac Clinical Vignette: Hospital-Based Medicine
PS5-200	<i>Retroperitoneal Abscess: An Unusual Initial Presentation of Colonic Malignancy</i> Sangeetha Isaac Clinical Vignette: Hospital-Based Medicine
