## **Kate Kaiser**

Kate is an Associate Professor Emerita of Information Systems, Analytics, and Supply Chain Management at Marquette University

The Wisconsin Chapter of the Society for Information Management (SIM) has a history of giving back and supporting the education of the next generation of IT leaders.

SIM Wisconsin offers scholarships annually to college students in the information technology and computing fields.

The scholarship program is named in honor of one of the founding members of our chapter, Kate Kaiser, who is a strong advocate of this program.
