Time Warner Cable
Wells Fargo Bank
... **Plus others!**

2019 SIM Charlotte Charity for STEM Golf Tournament

On behalf of our SIM Charlotte Region board, we would like to thank everyone for the overwhelming support of our 2018 Charity Golf Tournament! Thanks to our community of IT leaders and generous sponsors, we raised \$65,000 in much needed funds for Charlotte area STEM programs that will have a lasting impact on the future of technology in the region. Once again in 2019, we expect even greater participation with the partnership of our generous sponsors and area IT providers – expecting senior IT golfers representing 40 companies.

Registration, Driving Range, and Networking starts at 10:30 am. Tourney starts at 1:00pm. No worries about current golfing skills as we will be **playing Captains Choice**. There will be **Charity Mulligan and Charity Golf Ball Launcher tickets** available at the start. AND if that were not enough, **Dana Rader will be holding a special golf clinic 11:30 to 12:30pm** just for us. **Plus a Putting Contest!** So... you should be hitting like a pro before you take your first tee.

Thank you for your support. See you at the tournament!

Golf Clinic - 11:30am to 12:30pm

Join nationally acclaimed Dana Rader at the practice greens and driving range for an hour of demonstration and Q&A. Professional instructors will be at the pitch/chip green, putting green, and driving range. SIM tournament guests can get tips for situations they will face in their round of golf.

Event Schedule *(time may vary somewhat)*
