

# Leading Change in an Agile World

SIM Arizona Chapter Meeting 2.20.2019

# WELCOME!

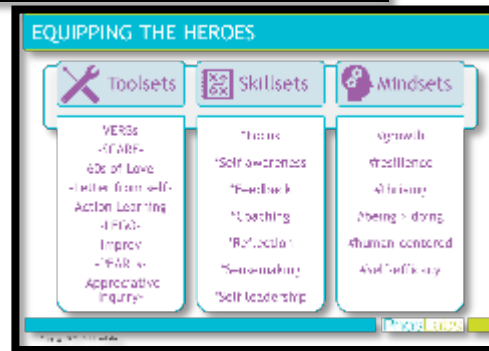

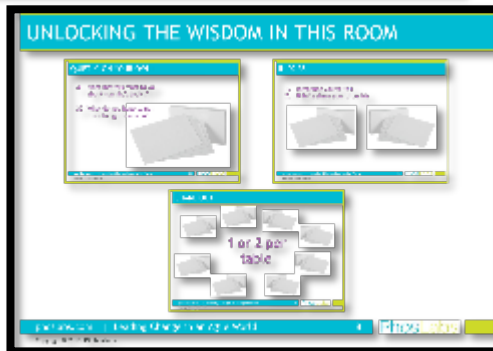

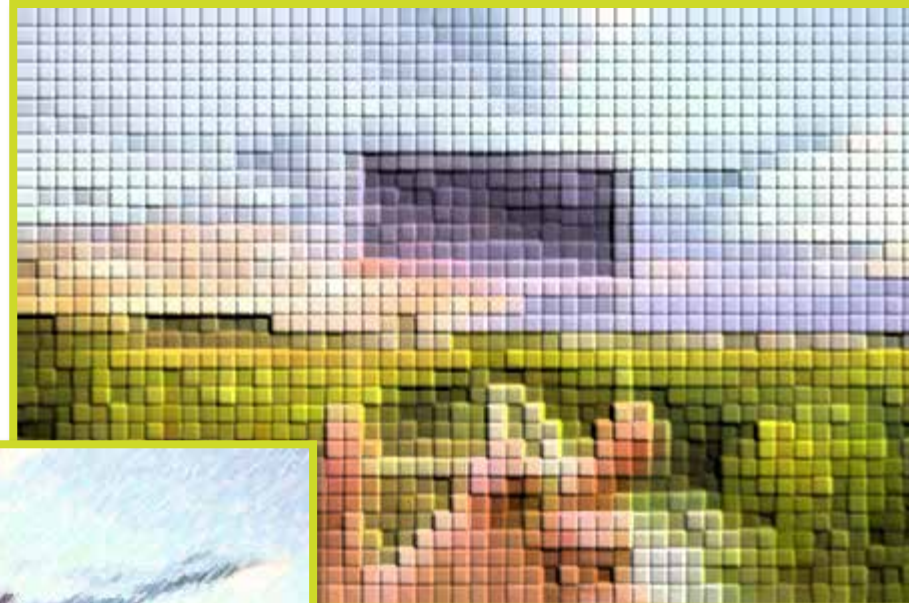

A close-up photograph of a sandy surface, likely a beach or dune. A bright green object, possibly a small toy or marker, is visible in the upper left corner. A thin, dark stick or piece of debris lies diagonally across the sand. The sand is light-colored with some darker patches and small clumps of green vegetation.

How many of you...

# Forecast

A hand is holding a white rectangular card in the foreground, centered in the frame. The card has the text "What is YOUR focus?" written on it in a blue, sans-serif font. The background is a scenic landscape at sunset or sunrise. The sky is filled with dramatic, dark clouds with patches of orange and yellow light from the sun. Below the sky, there is a line of trees and a small cluster of buildings in the distance. In the foreground, there is a field of green plants, possibly corn, and a gravel path. The overall mood is contemplative and inspiring.

What is  
**YOUR**  
focus?

# Land of VERBs

A person is walking away from the camera on a dirt path that leads into a dense forest. The trees are tall and leafy, creating a canopy overhead. The entire image is overlaid with a semi-transparent teal color.
