Connecticut/Western MA Chapter Golf Outing

Wallingford, CT

Sixteen members and sponsors of the Connecticut/Western Massachusetts chapter of SIOR recently met at The Farms Country Club for a socially distanced round of golf. Appropriately toned down a bit compared to outings in past years, the chapter attendees were delighted to participate in an event together playing The Farms course. A fun afternoon was had by all.

Create 360 Virtual Fall Conference Scholarship

The Connecticut/Western Massachusetts chapter of SIOR is pleased to announce its recipient of a student scholarship attending the upcoming Create 360 Conference, to be held virtually October 21 – 23, 2020. Stavros Filippidis, recent University of Connecticut graduate majoring in Real Estate and Urban Studies, will be attending the virtual event along with many other real estate students in the United States and internationally. The scholarship earned by Stavros is supported by the SIOR Foundation along with the Connecticut/Western Massachusetts Chapter.

As a networking think tank with high-profile speakers and strategic discussion, CREate 360 provides a high-level, 30,000-foot view of the industrial and office real estate landscape. It's where ideas transform into opportunities—and it's the must-attend *virtual* event for CRE professionals at all career stages.

The Connecticut/Western Massachusetts Chapter is one of forty-eight chapters of the prestigious international organization, the Society of Industrial and Office Realtors. Commercial real estate professionals must meet rigorous requirements to earn the SIOR designation. SIOR, founded in 1941, has over 3,200 members in 685 markets located in 36 countries.

SIOR represents today's most knowledgeable, experienced, and successful commercial real estate brokerage specialists. The SIOR designation stands unchallenged for excellence in the performance of real estate services and is universally recognized as the prerequisite in the selection of a commercial real estate broker, agent, or consultant.
