

{Carole L. McNees, CPA, Partner}

A higher return on experience

EXPERIENCE

Carole is a partner with Plante Moran, and has over 20 years of experience in public accounting, with significant involvement in accounting, auditing and general business consulting primarily with closely held businesses. In addition to working with construction contractor clients directly as part of client service teams, Carole is also the firm's leader of professional standards for the Real Estate and Construction Industry Group, managing the industry group's team that monitors technical compliance in financial reporting, adoption of new standards, internal technical development of staff, and enhancement of the firm's audit methodologies and other internal processes.

EDUCATION

- Western Michigan University, Bachelors, Accounting
