

STAY CURRENT with FDA-Approved Immunotherapy Treatments from your Office or Home

BOSTON LIVE VIRTUAL ACI PROGRAM INFORMATION

Thursday, Sept. 10, 2020 3–8:30 p.m. EDT

FREE for healthcare professionals, students, patients and patient advocates, the Society for Immunotherapy of Cancer (SITC) Advances in Cancer Immunotherapy™ (ACI) programs are CME-, CNE-, CPE- and MOC-certified and presented by local authorities in tumor immunology and cancer immunotherapy.

BOSTON LIVE VIRTUAL ACI PROGRAM TAKEAWAYS

In addition to networking with fellow colleagues, highlights of the program include:

- Interactive, virtual setting to connect with local faculty and organizers
- Learning how to treat patients with FDA-approved immunotherapies
- A deep dive into identifying and managing irAEs
- COVID-19 considerations from the speakers' direct experience
- Interpreting new clinical data supporting the use of checkpoint inhibitors, CAR T therapies, cytokines, oncolytic viruses and vaccines

Attendees will able to connect with regional immunotherapy experts during these interactive virtual programs, in subsequent quarterly webinars and through a dedicated SITC CONNECT online community.
