

# STAY CURRENT with FDA-Approved Immunotherapy Treatments from your Office or Home

## ATLANTA LIVE VIRTUAL ACI PROGRAM INFORMATION

**Saturday, Jan. 23, 2021**  
8 a.m.–1:30 p.m. EST

**FREE** for healthcare professionals, students, patients and patient advocates, the Society for Immunotherapy of Cancer (SITC) Advances in Cancer Immunotherapy™ (ACI) programs are presented by local authorities in tumor immunology and cancer immunotherapy.

**Earn your CME, CNE, CPE, and MOC credits** while attending from the comfort of your own home or office!

## ATLANTA LIVE VIRTUAL ACI PROGRAM TAKEAWAYS

In addition to networking with fellow colleagues, highlights of the program include:

- Interactive, virtual setting to connect with local faculty and organizers
- Learning how to treat patients with FDA-approved immunotherapies
- A deep dive into identifying and managing irAEs
- COVID-19 considerations from the speakers' direct experience
- Interpreting new clinical data supporting the use of checkpoint inhibitors, CAR T therapies, cytokines, oncolytic viruses and vaccines
