STAY CURRENT with FDA-Approved Immunotherapy Treatments from your Office or Home

NEW BRUNSWICK, N.J., LIVE VIRTUAL ACI PROGRAM INFORMATION
Thursday, April 29, 2021
3–8:30 p.m. EDT

FREE for healthcare professionals, students, patients and patient advocates, the Society for Immunotherapy of Cancer (SITC) Advances in Cancer Immunotherapy™ (ACI) programs are presented by local authorities in tumor immunology and cancer immunotherapy.

Earn your CME, CNE, CPE, and MOC credits while attending from the comfort of your own home or office!

NEW BRUNSWICK, N.J., LIVE VIRTUAL ACI PROGRAM TAKEAWAYS
In addition to networking with fellow colleagues, highlights of the program include:

• Interactive, virtual setting to connect with local faculty and organizers
• Learning how to treat patients with FDA-approved immunotherapies
• A deep dive into identifying and managing irAEs
• COVID-19 considerations from the speakers’ direct experience
• Interpreting new clinical data supporting the use of checkpoint inhibitors, CAR T therapies, cytokines, oncolytic viruses and vaccines

ORGANIZERS:
Eugenia Girda, MD, FACOG
Rutgers Cancer Institute of New Jersey
Eric A. Singer, MD, MA, MS, FACS
Rutgers Cancer Institute of New Jersey
Kristen Spencer, MPH, DO
Rutgers Cancer Institute of New Jersey
